John W. Garland, brother of the last witness, remembered the day his sister referred to. He had come down from her home to the main road that day,

PENDLETON'S PANACEA

Peter D. LeBLANC.

Albert, testified that he knew the deceased Mary Ann McAuley. She had left a watch with him to be repaired on April 4th last. The watch was gold case watch, six size, hunting case, with letter "M" in Roman engraved on the cover; could not say whether on the front or back. The number was \$3899029. On the inside of the case watch was he initial "M" and the full name "McAuley" in print script. The witness had the watch in his possession from 4th of April till 24th of May. The movement was American Waltham, seven jewels, and the watch was a valuable one. It would be known as a lady's watch. Witness returned the watch to Miss McAuley personally.

Sore Throat, &c.

For Colds take small doses frequently, according to directions on bottle. For Diphtheria and Sore Throat bathe freely with the Panacea, (It Will Not Blister) and gargle the throat with a little Panacea in water.

John Teahan, jr., of New Ireland, a new witness, said he was acquainted with Fr. McAuley, and was at the rectory on Tuesday night, August 21st, about 12 o'clock at night. The next morning he found a top wagon on the path going to the well or spring, west of the house. It could not have been seen from the house or road, and was facing towards the spring. There was a trace attached to the wagon. Witness told Fr. McAuley about finding the wagon and knew it was the priest's. He said he had seen the body of the murdered woman when the coroner was conducting the inquest. JOHN TEAHAN, Jr.

Or. Scott White Liniment Co., Ltd. James Doyle, of New Ireland, who found the body, corroborated Fr. Mc-

Among the matters likely to be talked over by Mr. Root and the Canadian administrators is to be the pelagic sealing situation. It is known that the United States wants to acquire by purchase or otherwise complete control of the seal herds, so arrangements can be made to prevent their extermination. The position of American fishermen off Canadian coasts is another matter. At present the fishercan be made to prevent their extermination. The position of American fishermen off Canadian coasts is another matter. At present the fisher men get bait and crews in Canadian ports under a modus vivendi. Canadian fishermen have been pressing the government to take the same action Newfoundland did and refuse to consent to this arrangement continuing any longer. There are international waterways questions, relating to both power and navigation all the way from Puget Sound to the St. John River.

Saturday night Mr. Root came into contact with the Canadian powers. Earl Grey gave a ministerial dinner at which Sir Wilfrid Laurier and most of the members of the Canadian government were the guests,

250,000 annually to the Macedonian budget. The Surplus ceded revenues ceded to the Macedonian budget. This the Germans ardently opposed in view of their desire to proceed with the three last sections of the Bagdad railway simultaneously, and of the fact that the Turkish government could only pay the increased kilometric guarantee necessitated by simultaneous construction by drawing on the surplus ceded revenue, which had therefore in the German view to be kept free at all costs.

By the weak arrangement now concluded it is argued that the Germans are master of the coveted surplus
