WILL BE CLOSED FOR THE YEAR ON
5th April next.
FOR the 22nd Annual Balance, and a special advantage will be secured by entrants before that date.
Under this scheme the Association has been eminently successful in reducing the expense of Life Assurance.

The Half-Credit system also may be adopted, which requires Payment of only half the first-years Premiums; the remaining half being left unpaid at interest as long as the Policy-holders please.
Further, the Policies will, in the majority of cases be relieved on application, after five years, of all conditions as to place of Residence, occupation, &c.

BLACKWOOD'S MAGAZINE
AND THE
BRITISH REVIEWS.

L. SCOTT & CO. NEW YORK, continue to publish the following leading British Periodicals:—
viz:—
1. The London Quarterly (Conservative).
2. The Edinburgh Review (Whig).
3. The North British Review (Free Church).
4. The Westminster Review (Liberal).
5. Blackwood's Edinburgh Magazine (Tory).

The present critical state of European affairs will render these publications unusually interesting the forthcoming year. They will occupy a middle ground between the hastily written news items, crude speculations, and flying rumors of the daily Journal, and the ponderous Tome of the future historian, written after the living interest and the excitement of the great political events of the time shall have passed away. It is to these Periodicals that readers must look to the only really intelligible and reliable history of current events, and as such, in addition to their well established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

Early Copies.
The receipt of Advance Sheets from the British publishers gives additional value to these Reprints, inasmuch as they can now be placed in the hands of subscribers about as soon as the original editions.
