## A New Church,

On Thursday the new Anglican church at Fredericton Junction was consecrated by His Lordship Bishop Kingdom. The ceremony was a most interesting one and was taken part in by several clergymen. Mr. Richardson rector of Trinity was the preacher on the occasion. The new church is of wood, in the modern Gothic style. Both externally and internally it is pleasing to the eye. It was designed by Rev. Scovil Neales of Sussex and built by Moses Mitchell. The interior is finished in natural spruce, trimmed with black ash. Part of the church farniture was donated by private friends, Mr. Medley gave an altar of quartered oak. The font was the gift of W Tyng Peters of Rothesay. Rev. G. F. Scovil of St. Jude's, Carleton, presented the credence table. At the time of the consecration the church was free from all legal incumbrance. Offertories amounting to \$60 were received during the day. The church cost altogether in the vicinity of \$3,000.
