

IMPROVEMENTS IN ZION CHURCH NEARLY FINISHED

Many Changes Effected During Past Few Weeks — Women's Missionary Society had pleasant at home

A very pleasant "At Home" was given last evening by the Women's Missionary Society in the spacious and convenient home of Miss Ellen Heston, Burpee Avenue. The ladies who had charge were well repaid by the number present, of gentlemen and ladies, all of whom enjoyed themselves exceedingly.

The early part of the evening was spent socially, after which refreshments were served by several young ladies dressed in the different costumes of many lands, and we all agreed they looked well after the company and entertained them beautifully.

Two little girls, Mabel and Myrtle Keithlin, rendered a pretty duet. Miss Robertson, returned missionary from Japan, gave an admirable address, describing the work and the manners and customs of the Japanese people, showing and explaining very clearly and happily many curios of the country. There were many Chinese curios which Miss Lawson exhibited to the interest and entertainment of the company which shed light upon the customs of the Chinese.

This youthful missionary society of Zion Church, which Mrs. Sanford organized a little over a year ago, has proved its seal in the work of missions to a very satisfactory degree, and has raised quite a respectable sum of money for the great cause, and is steadily growing in influence and numbers, for which the president, Miss Lawson, and all her associates deserve great credit. The free-will plate offering last night amounted to nearly \$11.00.

Matters of improvements on Zion Church have been going on for some months and would have been completed had the weather been favorable, as it is there has been much more done than was looked for at the start, as things were in a worse material condition than anticipated. The outside of all the buildings. When completed the church will be in good and enduring condition. Many congratulations are being given the trustees and quarterly board who have been working untiringly for this betterment of internal and external conditions.

Much satisfaction is expressed all round at the prospect of Rev. J. B. Chapman succeeding Rev. Mr. Lawson next June, as superintendent of Zion Church, when Mr. Lawson will have completed the full conference term.

St. George, N. B., Dec. 5.—The induction of Rev. Thomas Harrison to the pastorate of the Presbyterian congregation of St. George, Bocabee and Pennfield, took place within the Presbyterian church of St. George on Tuesday evening, Dec. 2nd.

These addresses were of an exceptionally high order and were greatly enjoyed by the large congregation present. The meeting was moderated by Rev. Dr. Morrison, who for the past six months has had charge of this congregation as moderator, ad interim.

The accession of the Rev. Thomas Harrison to the ranks of the Presbytery of St. John is regarded by all concerned as a distinct acquisition to the efficient forces of the Presbytery and church.

The last lecture in the Pay Course of the Ladies' Association of the Natural History Society was given Thursday afternoon and consisted of a talk on the Indians of pre-historic Acadia by Wm. McIntosh.

The lecture was a continuation of the one given last Thursday, and dealt with the myths and legends, the arts and industries of the Indians, and was illustrated by eight tableaux by the junior members of the society. A course of free lectures will commence in January and will consist of seven lectures on Home Economics. These lectures will be given on Thursday afternoons at 4 o'clock, and will be free to all members and their friends.

SLEEP DISTURBING BLADDER WEAKNESS BACKACHE AND RHEUMATISM VANISH

Even Most Chronic Sufferers Find Quick Relief.

A few doses of Croxone never fail to relieve such troubles, because it cleans out the clogged up, inactive organs, and makes them work properly. It takes right into the kidneys, cleans out the little filtering cells and glands, neutralizes the urine so it no longer irritates the tender membranes of the bladder; dissolves the poisonous uric acid substance that lodge in the joints and muscles, and scratch and irritate, and cause rheumatism, and cleans out and strengthens the lifeless kidneys so they can filter, and sift

the poison from the blood, and drive it out of the system. So sure—so positive—so quick and lasting are the results obtained from Croxone, that three doses a day for a few days, are often all that is required to end the worst backache, regulate the most annoying bladder disorders, and put the kidneys in healthy, active condition.

It is practically impossible to take this quick-acting, effective preparation, without results. An original package costs but a trifle, and all druggists are authorized to return the purchase price if Croxone fails to promptly give desired results, regardless of how old you are or how long you have suffered.

By using Dr. Chase's Nerve Food you can restore to the feeble, wasted nerve cells the energy they have lost. It will take some effort on your part to give up worry and anxiety, but you should realize your serious condition. Rest and use this great food cure and you are bound to improve in health and vigor.

Nervous Energy Is Limited

There is only so much energy in the human body. A few people have an abundance, but more have not enough. Hence the necessity of conserving vitality.

If wasted by mode of living, disease or worry there must be a reckoning, and trouble is sure to come. It may be headaches and weak, aching eyes; it may be nervous indigestion, or it may be merely lack of energy and ambition and feelings of fatigue or helplessness. Of course, sooner or later exhaustion of the nerves leads to prostration, paralysis or locomotor ataxia, but there is no need to let the trouble develop that far.
