Rev. Mr. Piercy of Hamilton, Ont., gave a dramatic recital on Friday evening in the Baptist church, which was very much enjoyed. Mr. Piercy's presentation of Jean Valjean from Victor Hugo's Les Misérables, was especially appreciated. He also gave selections of a lighter nature.

Mrs. Frank Creed spent Saturday last with her parents, Mr. and Mrs. George Brown, at Hampton.

### SAYS HOT WATER WASHES POISONS FROM THE LIVER

Everyone should drink hot water with phosphate in it before breakfast.

To feel as fine as the proverbial fiddle, we must keep the liver washed clean, almost every morning, to prevent its sponge-like pores from clogging with indigestible material, sour bile and poisonous toxins, says a noted physician.

If you get headaches, it's your liver. If you catch cold easily, it's your liver. If you wake up with a bad taste, a red tongue, nasty breath or stomach becomes rancid, it's your liver. Salty skin, muddy complexion, watery eyes all denote liver uncleanness.

Your liver is the most important, also the most abused and neglected organ of the body. Few know its function or how to release the jammed-up body waste, bile and toxins. Most folks resort to violent calomel, which is a dangerous, salivating chemical which can only be used occasionally because it accumulates in the tissues, also attacks the bones.

Every man and woman, sick or well, should drink each morning before breakfast, a glass of hot water with a teaspoonful of limestone phosphate in it, to wash from the liver and bowels the previous day's indigestible material, the poisons, sour bile and toxins; thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.

Limestone phosphate does not restrict the diet like calomel, because it can not salivate, for it is harmless and you can eat anything afterwards. It is inexpensive and almost tasteless, and any pharmacist will sell you a quarter pound, which is sufficient for a demonstration of how hot water and limestone phosphate cleans, stimulates and freshens the liver, keeping you feeling fit day in and day out.

Thursdays Mrs. Andrew Forsythe entertained at a sewing party in honor of Miss Helen Jack, St. John.

The invited guests were Mrs. H. A. White, Mrs. Harry Reid, Mrs. Guy Kinnear, Mrs. L. R. Murray, Mrs. King, Mrs. Stubbs, Miss Helen Jack, Mrs. Harry Clarke, Mrs. Charles Clarke, Miss Carrie Roach, Miss Sara Byrne, Miss Louise White, Miss Della Daly, Miss Gertrude Sherwood, Miss Kate White, Miss Blanch McLeod, Miss Ethel Davis, Miss Marjory Bradshaw and Miss Ella DeBoo.

### SPLITTING PAINS IN THE MUSCLES DRIVEN OUT QUICKLY BY "NERVILINE"

Rheumatic Pains Go—Suffering Ceases—Cure Comes in Even Chronic Cases.

For aching bones and sore muscles nothing will soothe away the pain like Nerviline.

For nerve-racking twinges in the muscles, for torturing backache or lumbago, you'll find Nerviline is full of amazing power.

You see, Nerviline has the power—it's about five times stronger than ordinary remedies, and can penetrate very deeply. It contains juices and extracts of certain herbs that give it a strange power to drive out congestion, inflammation or pain.

You are safe in using Nerviline. Just rub it on—it won't blister or burn, and can do nothing but good.

Whenever there is pain or suffering Nerviline will go and will drive it out. It penetrates to every cell of a sore muscle; it sinks to the heart of every stiff sore joint; it searches out the pain of rheumatism quickly.

Give Nerviline a trial. See how fast it will limber your lame back, how quickly it will cure neuralgic headache, how fast it will break up a bad cold or ease a sore throat.

The best family pain-remedy ever made is Nerviline. Forty years of great success proves this.

For emergent ills, when the doctor isn't handy, there is nothing better. 25c. all dealers or the Catarrhose Co., Kingston, Canada.

Mr. Piercy is a literary entertainer and during the services he recited portions of Scriptures. The evening service drew a large crowd when the speaker gave "Joseph and his brethren." Special music was rendered.

A diet was given by Mrs. G. H. Bain and Miss Eva Duffy, "The King of Love My Shepherd is."

Conrad Osman of the Military School, Halifax, spent a few days at his home here recently.

HOW? WHY?

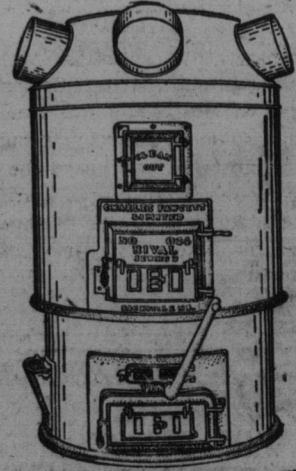

Fawcett Grates are all made to admit an immense amount of air from below the fire which forces the fuel to burn entirely to a white ash. Fuel burns longer and the gases and smoke are converted into fuel, because the fire boxes in Fawcett Ranges and Heaters are all built with hot-blast, smoke-consuming devices which burn the hot gases and smoke, thereby saving half the fuel.

These are only a few Fawcett features. Others can only imitate.
