NOTABLE ATHLETIC DEMONSTRATION AT Y. M. C. I. YESTERDAY

Lengthy Programme Enjoyed by Large Number of Spectators — Swimming Exhibition by Prof. Winston.

Yesterday afternoon at the Y. M. C. I. on Cliff street, the visitors, including many of the mothers and fathers and the general public, were treated to an excellent programme of class work which included a graded form of calisthenics and free arm work, intricate athletic manoeuvres and a complicated dumb bell drill. There were also floor work in general, organized games and a demonstration of military marching tactics.

Professor Winston has done nothing short of wonderful work with the raw material at hand in the beginning of the institution and the demonstration yesterday given by 125 school boys was a revelation.

After the gymnasium the four hundred visitors adjourned to the swimming pool where the boys displayed themselves in the water and two four men relay races were held. Upon request, Mr. Winston repeated his exhibition of swimming given at the last visiting day, which included plunging for distance, demonstrations of the correct method of swimming, the breast stroke, Indian or side under-arm stroke, English over-arm, trudgen stroke which has made Annette Kellerman famous, and the Australian crawl, which is considered the world's most speedy stroke.

In fancy swimming Mr. Winston gave demonstrations of swimming sideways, swimming frontwards feet first on stomach, swimming frontwards feet first on back, swimming backwards feet first and backwards hands first, log rolling and seal diving. These were all executed with utmost skill and gracefulness seldom seen in this part of the country. Mr. J. H. Chalmers acted as announcer.

It is expected that a monster athletic demonstration will be held about June first meeting close of season in which every branch of sport will be exhibited, including boxing, wrestling, indoor baseball, basketball, bowling and swimming.

There is a Message In This Lady's Story

She Tells What Dodd's Kidney Pills Do for Women.

She Was Troubled With Weakness and Her Daughter Had Nervous Trouble. Dodd's Kidney Pills Provided the Remedy They Both Needed.

Hamilton, Ont., May 2.—(Special)—The story told by Mrs. H. Dickens, of 70 Tom street, this city, carries a message of hope to every suffering woman in Canada.

"After my baby was born," Mrs. Dickens states, "I used to suffer with my back and had no heart to do my work around the home. But I read about Dodd's Kidney Pills and what they have done for others, so I thought I would get a box and see what they would do for me.

"I am pleased to say that after taking two boxes I found such great relief I would not be without them in the house.

"My daughter, too, had been very sick on and off for a long time. Her nerves got so bad we were afraid we would see her in the hospital. But I am pleased to say she is better through taking Dodd's Kidney Pills.

"I never thought Dodd's Kidney Pills could have done such good work and I am telling all my friends about them."

Women's troubles, or nearly all of them, come from sick kidneys. The cure for them is the old established remedy for sick kidneys, Dodd's Kidney Pills.

THE POLICE COURT

In the police court yesterday Arthur Lumth pleaded guilty to drunkenness on Clarence street, but denied ownership of a license of carrying and another partially filled one found near him when arrested. Officers Straight and Estey told of seeing the man staggering along Clarence street, of following him into a lot near the cotton mill, of seeing him bend to the ground and of later finding the two bottles of liquor at the spot. The magistrate at this point stated that under the new act a person cannot have liquor, cannot offer liquor or even attempt to offer it to another. Prisoner remanded.

Wm. Armstrong charged with drunkenness and using profane language, was told he had made himself liable to nine months' imprisonment. In the case of John Davis and Dennis Donovan, the former was remanded to jail, being told he was liable to nine months in jail, and the latter was given back his \$20 deposit and allowed to go, as it was shown that Davis had accepted Donovan.

Lente Kristanorick, arrested several weeks ago on a charge of selling liquor in her house, Main street, was given his freedom as there was a lack of evidence against him.

The Williams stabbing case was resumed at an afternoon session of the court, and as there was no evidence to show that Michael Siminick was implicated in the stabbing he was allowed to go. Harry Kowal was committed for trial.

John Conway was fined eight dollars for being an inmate of mammoth Farrah's place on City Road at the time it was raided as a disorderly house.

The charge against George Parker for having liquor on his premises was dismissed.

Fred MacAuley charged with deserting from the field ambulance corps remanded.

MILITARY NEWS.

Mrs. Martha Burton, of 22 Clarence street, received word from Ottawa yesterday morning that her husband, Sergeant William Burton, was officially reported as wounded but remaining on duty, April 15. Sergeant Burton is twenty-eight years of age and is one of the few original members of a famous New Brunswick battalion. He has seen service with them for nearly two years and has been fortunate up to the present. He was employed with T. McAvity & Sons, and also worked at West St. John. He was regarded as a fine type of soldier and had many friends both in the army and in civil life.

That Sergeant Garfield Percy C. Till, son of Mr. and Mrs. J. F. Till, of 102 Dorchester street, has given up his life for his country was the information that his parents received this morning from Ottawa. Sergeant Till went overseas with an infantry unit from this city almost two years ago and since that date until he met his death, he had been steadily at the front. He left here with the unit as a private but had won promotion on two occasions. His first promotion was from private to corporal and later he was promoted to be a sergeant. He was twenty-three years old and prior to enlistment was a clerk in the telephone company of the New Brunswick Telephone Company. Besides his parents he is survived by two brothers—Arthur and Ernest, both of this city.

Soldier Boy Improving.

Mrs. Louise P. Ramsey, of 27 Murray street, has received a telegram from Ottawa stating that her son, Pte. Berton F. Ramsey, of a local infantry battalion, was progressing favorably. This will be good news to the many friends of this young soldier, who have made many inquiries as to his condition since he was wounded at Vimy Ridge on April 10. He was then admitted to Vimy Hospital, France. This information was not received by Mrs. Ramsey until the 20th. The next word was received on the 27th, when they had sent Pte. Ramsey to the 3rd Northern General Hospital, Sheffield, Eng. No personal word has been received yet. His many friends hope that nothing serious will happen.

BUILD UP THE BLOOD

It is a hopeless task to try to restore your health while your blood is deficient in quantity or quality. The blood circulates through every portion of the body. It takes nourishment from the food and distributes it to the various organs and muscles; it takes also any medication that is administered through the mouth. The blood is the only means by which medicine can reach the nerves. Hence if the blood is poor, the body becomes weak and the nerves shaky, and the victim may be subject to headaches and dizziness poor appetite indigestion a constantly tired feeling or perhaps to rheumatism, sciatica or neuralgia. Poor blood is the forerunner of nearly every ailment to which mankind is subject, and you can only enjoy robust health by keeping the blood rich, red and pure. Keep the blood in this condition no medicine yet discovered can equal Dr. Williams' Pink Pills. Every dose helps to make new, rich red blood which carries new health and new strength to every part of the body. When one becomes weak and pale Dr. Williams' Pink Pills will restore the blood, bring back the glow of health to the cheek, and make weak, ailing people energetic and strong.

You can get these Pills through any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
