**Sage Tea Darkens Hair to Any Shade**

Don't Stay Gray! Here's an Old-time Recipe that Anybody can Apply.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautiful, dark, glossy and attractive. Whenever her hair took on the dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a bottle of "Wool's Sage and Sulphur Compound" you get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says it darkens the hair so naturally and evenly that you can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking care to reach the roots. By morning the gray hair has fallen out and after another application of it, it becomes beautifully dark and glossy.

Wool's Sage and Sulphur Compound is a safe and reliable preparation for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

**Housewives' League Hold Evening Meeting For Soldiers' Wives—Fine Demonstrations and Helpful Talks Given Last Night.**

It is to be regretted that more of the soldiers' wives did not attend the demonstration arranged for them by the Housewives' League, co-operating with the Soldiers' Wives League, last evening at the Food Centre, Carlton Street. A most practical programme had been planned, to which a great deal of time and thought was given, and those who were there felt that they had learned much of value.

Mrs. W. Edmund Raymond presided and welcomed those present. She gave many useful ideas on cooking and thrifting during the evening. Mrs. George F. Smith, President of the Housewives' League, welcomed the soldiers' wives, and gave enthusiastic praise to the work of the Housewives' League, which she considered had been a great blessing to the community. The War Gardens Exhibit was a revelation of what could be done by the home, and she said that she could testify to it as being very practical.

Mrs. Hooper gave a demonstration of the cooking of rice, both as baked in the fireless cooker, in a milk and cooking in a double boiler, and as boiled for use in other ways.

Mrs. Raymond announced that Mrs. McMackin has offered to give a talk on clarified milk, and exhibit a tester by which milk can be tested as to its impurities.

Mrs. Silas Alward delivered a carefully prepared and interesting talk on health, treating particularly as to the importance of the care of the diet and the scientific selection of foods used at the same meal.

Mrs. Hooper spoke on the voluntary ration books, of which 5,000 had been posted in St. John. Many hours had been spent by the Housewives' League committee making up the list, and getting these books posted. It is hoped that the books will be carefully followed, as they were prayerfully composed by those who had the most knowledge of the subject.

## REGULAR MEETING HELD YESTERDAY

**Report of Secretary at Session of Associated Charities—Society Needs Funds For Winter's Work.**

A largely attended meeting of the Associated Charities was held yesterday afternoon at 117 Germain Street, in the presence of W. S. Fisher, in the chair.

The secretary reported for the summer as follows: Applications received, 374; seeking employment, 56; employment found for 72; recommended, 75; requests for meals, 58; requests given, 31; seeking relief, 12; relief procured for 10; visits made, 310; clothing given to 31; seeking transportation, 4; cases investigated for other cities, 15. The secretary also reported three urgent cases in which special relief had been granted.

Arrangements were made for the annual meeting, which will be held on November 13.

The society is greatly in need of more funds to carry on the winter work, as there is every likelihood of coal being scarce and the cost of living, much higher. It would be greatly appreciated if those who desire to aid the work of the Association would leave their contributions with J. E. Seagr, 68 King Street, or Miss Grace Robertson, 157 King Street East.

## CAMPBELLTON SENDS FINE DONATION

**Soldiers' Comforts Association Ltd. Held Monthly Meeting Yesterday—Christmas Parcels Arranged For.**

Arrangements for lone soldiers' parcels was an interesting subject discussed at the regular meeting of the Soldiers' Comforts Association held yesterday afternoon at Centenary church hall. In the absence of Mrs. McKeown, Mrs. H. B. Peck, first vice-president presided.

A letter was read from Miss Plummer in which she asked for a grant to assist in buying parcels for lone soldiers. While on a visit to France Miss Plummer was told by an officer that last year at least 5,000 boys had received their first Christmas parcel from the S. C. A. or the Field Comforts, as it is called overseas.

After some discussion it was decided to send money to Miss Plummer to assist in purchasing these parcels for the lone soldiers of N. B. battalions. It was suggested that friends of the association who last year sent lone soldier parcels might this year assist by sending cash donations instead of parcels owing to the fact that shipping space is so limited and that the money can be spent more advantageously in England.

Mrs. George McAvity, the honorary president, kindly donated cards to be forwarded to Miss Plummer, which will be used for the parcels sent to the N. B. Boys. These cards read "Christmas Greetings and Best Wishes for the New Year, from the Soldiers' Comforts Association, Ltd., St. John, New Brunswick, Canada."

The treasurer, Mrs. Lalachar reports cash receipts for September \$529.44; expenditure for wool \$344.10. The report shows:—Total number of socks for September, 1,709 pairs; mitts, 5 pairs; caps, 5. At the depot for distribution are now 1,000 lbs. wool with 1,500 lbs. on order.

In the reports from the branches the Girls Circle through Miss Hilda Shaw reported the shipping of 129 Christmas parcels. Christmas parcels were received from the Douglas avenue circle, Milltown, Rothesay, U. P. H. class of 50 parcels; the Y. W. P. A. class of 20 parcels; who shipped 70 parcels through the S. C. A.

A special donation of 1,001 pairs of white socks and 206 Christmas parcels was received from Campbellton. The visit of Miss Arnold the middle of November was spoken of.

The American Red Cross in the early summer now the call has come to her. She has been a valued member of the Housewives' League and will be greatly missed on the demonstration committee. Miss Baxter is also a useful member of the Y. W. P. A. and her departure from the city will be greatly regretted. She spent the summer giving talks to the Home Efficiency Clubs throughout the province, and also assisted in the sphagnum moss campaign.

## LOCAL RED CROSS

The resignation of Mrs. Heber Vroom as convener of the wool department, was gratefully accepted at a meeting of the executive of the local Red Cross, held yesterday morning. Mrs. George K. McLeod with Mrs. Ambrose was appointed to take over this department. It was suggested that the following be added to the executive: Mrs. L. A. Belyea, Mrs. Charles Mullin, Mrs. Warren Winslow and Miss Rowley. Mrs. E. T. McKeown was added to the needlework department.

It is expected that the 10,000 sphagnum moss dresses asked for will be ready by Thursday night. A splendid work is being done by those engaged in this work.

The 5,000 Christmas stockings contributed by New Brunswick are being packed. The secretary, Miss Walker acknowledges \$75, from Miss Glenn per Mrs. Lester Merritt.

Mrs. Richard Hooper for her most valuable work on the Demonstration Committee, was moved by Mrs. E. F. Smith, and unanimously carried by a standing vote. The meeting closed with the National Anthem.

## TO GO OVERSEAS.

Miss Gladys Baxter, who has been a valued member of the Housewives' League, has received order to report to the American Red Cross Society, and expects to go overseas shortly as a dietitian.

Miss Baxter offered her services to
