### Expert Refining

All the experience and skill of Canada's best known and largest oil company goes into the refining and making of Imperial Polarine.

Imperial Polarine shows its quality in service. It is proof against severest engine heat and the pressure of engaging parts. Its body holds. It keeps on lubricating. It makes cylinders power tight so far as an oil can. It burns clean.

Three grades—Imperial Polarine, Imperial Polarine Heavy and Imperial Polarine A. Ask the Imperial Oil Man which you need.

In one-half, one and four-gallon sealed cans—twelve and a half gallon kegs, in half-barrels and barrels. Sold by good dealers everywhere.
