

3	*English. *Practical Physics. Constitutional Law.	*Oriental. Constitutional Law.	*Spanish. *Organic Chemistry. Constitutional Law.	*English. *Oriental.
4	*Organic Chemistry. *Practical Physics.	*Geology. *Physical Chemistry (b). German.	*Practical Physics. *Practical Mineralogy. *Practical Biology. German.	*Practical Mineralogy. *Italian. *Physical Chemistry (b). *Organic Chemistry.
5				

Fourth Year.

9	*Physiological Chemistry. *Mathematics. *Metaphysics. *Latin Prose.	*Embryology and History. *Latin (b). *Mathematics. History of Philosophy. *Oriental.	*Physiological Chemistry. *Mathematics. *History of Philosophy. German.	*Mathematics. *Italian. English.
10	*Physiological Chemistry. *Physics. *History of Philosophy. Greek. Latin. English.	*Physiological Demonstrations. *Physics. Greek. Ethics. Latin.	*Physiological Chemistry. Greek (b). Ethics. French. Greek Prose.	*Latin. *Physics. *Embryology and History. *Spanish.
11	*Physiology. English. Oriental.	*Physiological Demonstrations. Economics. English. German. Latin (a).	*Physiology. Spanish. Latin. Classics. English.	*Classics. *Physiology. *Metaphysics. *French. *English.
12	German.	German. Latin (a).	Italian. English.	Latin Prose. Greek Prose. Oriental.
1	*Mineralogy or Geology. Greek.	*Mineralogy or Geology.	*Mineralogy or Geology. Greek.	*Assaying.
2	*International Law. Italian.	*International Law.	*International Law. Oriental.	*Assaying.
3	*Economics. Spanish.	*Mineralogy or Geology. Economics.	*Economics. Hebrew.	*Economics. *Assaying.
4	*Chemistry.	*Chemistry. Mineralogy or Geology. German.	*Chemistry. Mineralogy or Geology.	*Chemistry. *Assaying.
5				

School of Science Students attend Mathematics Division E. of First Year.
(a) During Michaelmas Term. (b) During Easter Term. * Honor Subjects. † Students in Honor Chemistry and Mineralogy.
‡ Students in Honor Natural Science and Medicine.
