Wardsville

Wardsville, March 28.—Mr. and Mrs. Aitchison and children, of New Liskeard, are visiting Mr. Aitchison's parents here. While one of the little girls was swinging in a hammock she fell out and broke her leg. Mr. and Mrs. Aitchison were to return to New Ontario soon, but this unfortunate circumstance will prolong their visit here. Many farmers in this district are baling their hay and shipping it.

Prof. Caesar, of the Ontario Agricultural College, discussed "The Control of Fungus and Insect Pests, as They Affect Fruits, Vegetables and Grains," before an interested audience of farmers in the town hall yesterday afternoon.

Wardsville, March 28.—Leeward Henderson, third son of Mr. and Mrs. William Henderson, while on a tour through England, visited at London in the King's Royal Rifles and is now training at Salisbury Plains.

Miss Greta Heath, of Cockburn Island, is home for the holidays.

Mrs. C. B. Sheppard has returned home after visiting friends in Detroit.

Miss J. Rodgers, of Guelph, is visiting her aunt, Miss M. Archer.

Miss D. Edgington, of Woodstock, visited her sister, Mrs. (Rev.) B. Snell, last week.

J. Thomas, of Detroit, is visiting friends in town.

SLEEPLESSNESS.—When the nerves are unstrung and the whole body given up to wretchedness, when the mind is filled with gloom and dismal forebodings, the result of derangement of the digestive organs, sleeplessness comes to add to the distress. If only the subject could sleep, there would be oblivion for a while and temporary relief. Parmedee's Vegetable Pills will not only induce sleep, but will act so beneficially that the subject will wake refreshed and restored to happiness.

CRINAN.

Crinan, March 28.—Wm. McEachren and James McPherson have returned from St. Thomas, where they have been attending the spring assizes.

There was a good meeting of the Y. P. P. G. on Sunday evening, despite the bad weather. Miss N. Jamieson was leader.

Logan brothers intend raising a barn this week.

G. T. Markham is fully prepared to open the cheese factory next month.

Mr. Cook, of Longwoods Road, is cutting wood with his gasoline outfit for L. Johnston and Wm. Welsh this week.

Miss Aggie McEachren has returned to her home in Detroit, after visiting friends here for a couple of weeks.

Miss Annie McIntyre intends returning to the West this week.

Voting is taking place for an addition of three elders to the session of Argyle church.

CONQUERS ASTHMA.—To be relieved from the terrible suffocating due to asthma is a great thing, but to be safe for the future is even greater. Not only does Dr. J. D. Kellogg's Asthma Remedy bring prompt relief, but it introduces a new era of life for the afflicted. Systematic inhaling of smoke fumes from the remedy prevents readjustment and often effects a permanent cure.

Appin

Appin, March 28.—Miss McIntyre, of Tat's Corners, is with Mrs. J. Macfie for a few days.

D. Thompson is home from Denver, Colorado, where he spent the winter with his sister.

The principal's room at the public school was closed for a few days this week owing to Mr. Payne's illness.

The final meeting of the Mutual Improvement Society was held on Tuesday evening. The programme included songs by the Glee Club, Miss I. McDonald and E. Webster; violin selections by Miss B. Corvey and D. Campbell; readings by Miss M. McDonald and McKellar McArthur. A dialogue, "A Matrimonial Mix-up," by Misses Glandfield, Gale and Eddie, and Messrs. Sperry, McIntyre and Glandfield, was exceedingly funny. Two splendid addresses were given by P. McArthur and Charles Macfie on "Canada's Earliest Days," and "A Later Period in Canada's History." A. F. Munroe was in the chair. This series of meetings has proved helpful to the community.

Rev. H. A. Fish, of Owen Sound, gave a lecture in the town hall on Wednesday evening. His subject was "Rome in Relation to the Mixed Marriage, Language and Public School Questions."

Mrs. Freeman, of Brockville, is still with her mother, Mrs. Boyd.

An auction sale of household goods and stable furnishings was conducted at the Donnelly house on Saturday.

Mr. Banks, the purchaser, takes possession April 1.

Dr. Glandfield has taken residence on Wellington street in the house owned by Mrs. Smith, of Ekfrid Station.

Appin, March 28.—Donald Black has sold his farm to James Davis, who takes possession about May 1st. Mr. Black will come into the village to reside where Mr. Payne is living at present, he having bought the property last year.

Appin friends met at the home of Mrs. Donnelly on Wednesday evening to say farewell and leave with her a parting remembrance. She was made the recipient of a handsome chair. Mrs. Donnelly, now taking a course in Strathroy hospital, was home for the evening, and was given a locket and chain, and Mrs. Clay a handbag.

WALKERS.

Walkers, Mar. 28.—A very pleasant evening was spent with Mr. and Mrs. Andrew E. Gray on Monday evening, Mar. 22nd, when about seventy-five of their friends and neighbors gathered to bid them farewell prior to their leaving for their new home in Brooke. An address was read testifying of their esteem as neighbors and they were presented with a handsome oak combination bookcase and writing desk, after which there was a good programme and lunch was served.

Walkers, March 28.—Hibbert Denning, of the Bank of Commerce, Strathroy, spent the week-end at his home here, the post office store. He has been promoted and left on Monday for Winnipeg, to take a position in the bank there.

Mr. Niven, of Napier, shipped a carload of potatoes last week.

On Friday morning last the neighbors of Mac, Fletcher, who has Neil McDougald's farm rented, were called over the phone that his house was on fire. Although it was a very early hour, a number were soon on the scene and were able to get some of the contents out of downstairs, but Mr. Fletcher's loss is no doubt a lot, with only \$200 insurance. Mr. McDougald had \$900 insurance on building. Mr. Fletcher moved from Poplar Hill last fall. Mr. McDougald, who lives in Strathroy, was here and intends to build a new house as soon as possible.

John Patterson spent the week-end with Mrs. Patterson, St. Joseph's hospital, London.

The old saying is true this year, as March came in like a lamb but is going out like a lion.

Mrs. Denning and her son Hibbert visited at George Denning's, Napier, last Sunday.

The many friends of Mrs. (Dr.) Smith, of the manse, who had a bad attack of gripe, will be pleased to learn she is better.

James Walker lost his valuable spaniel dog last week.

Mr. Forsythe, assistant Middlesex representative of agriculture, visited our school last week in the interest of the school fair to be held next fall.

The many friends of Mrs. John Patterson will be pleased to hear that she has improved sufficiently to leave the hospital. She is expected home for Easter.

You cannot be happy while you have corns. Then do not delay in getting a bottle of Holloway's Corn Cure. It removes all kinds of corns without pain. Failure with it is unknown.

Knapdale.

Knapdale, Mar. 28.—John Hillman, we're sorry to say, is ill with gripe. "Bees" are raging in this vicinity. Keep out of the latitude.

Miss Rachel McDonald returned home from Detroit on Thursday to take care of her mother, who is ill with gripe.

Miss Easton has resigned her school here and will return to her home in Alton, Ont. on Thursday.

Mrs. H. Munce entertained a few of her friends to euchre on Thursday evening.

E. MacKenzie and family are moving into the house owned by T. Rumball.

Stepping from one track to another to allow a freight train to pass, Henry Bearse, a farm hand, aged 55, was struck and instantly killed by an express train near Watford Saturday afternoon.

KILMARTIN.

From an occasional correspondent.

Miss Nettie Dewar is home from Detroit on a visit.

The ladies of Burns' church shipped a bale of clothing valued at \$45 for the soldiers' relief.

D. N. Munro made a business trip to Toronto on Saturday.

April Fool.

The Young Ladies' Band of Appin Presbyterian Church will hold a social evening at the manse, Appin, on April 1st. A good programme, and novel menu of refreshments—good things, old and new, from the art, from the land, from our neighbors, and made-in-Canada stuff, too. Everybody welcome. Admission free; pay for eats.

CANADIAN PACIFIC RAILWAY

To the Panama Exposition via the Canadian Rockies.

At the present time a great many are planning their annual tour. Considerable numbers visit the popular California resorts while many prefer the unsurpassed resorts, palatial hotels and magnificent scenery of the Canadian Rockies. This year why not combine the two by a visit to the Panama Pacific Exposition?

Numerous people in comfortable circumstances, well able to afford a trip have the mistaken idea that a journey of this nature is most expensive. This is not so; thanks to modern railway facilities, an extensive trip, both interesting and educational, can be made with speed and comfort at a comparatively small cost. Why not investigate?

Those contemplating a trip of any nature will receive full information from any C. P. R. agent; or write Mr. G. Murphy, district passenger agent, Toronto.
