Keep Them Smiling

Soldiers Home Coming Campaign

The "Welcome" sign still hangs high on the doors of the Salvation Army Hostels. Help them to keep it there! While our soldiers have need of the comforts—spiritual as well as bodily—DON'T shut the doors in the boys' faces—Keep them smiling!

The Salvation Army appeals for a Million Dollars for the boys who won the Victory. This is the first time the Salvation Army has made a general appeal for its work. We urge you now, for the sake of the soldiers, and as a VITAL factor in the solution of Canada's Reconstruction problems, with the Homecoming of her boys, to give and to give liberally!

Our men in Khaki may not all be home for another year. While there is a company of Canadians in uniform over there or over HERE, there is work for the Salvation Army Lassie.

The weary waiting and the relaxed discipline spell dangers that MUST be guarded against. A happy smile and a comfortable body help to keep trouble at a distance. Do not let the Hostels shut for lack of funds!

The Salvation Army Million Dollar Fund

January 19th to 25th

"FIRST TO SERVE—LAST TO APPEAL"

A WORD ABOUT THE HOSTELS! Have you ever been inside a Salvation Army Hostel? If not, ask a returned man about the Hostels in Paris, London, Toronto, Hamilton, or any others that he has stayed in over HERE.

Let HIM tell you about the REAL beds, the home cooking, the fried eggs, and hot coffee—and hot baths. If he knows you very well, he may give you a hint about the spiritual comfort the Salvation Army Lassies give these men far from home and all it means!

Keep them smiling! We will not turn the men adrift after they have won so glorious a Victory! We will redeem our PLEDGE—"We will keep the home fires burning, till the boys come home!"

Next week the Campaign will be on! Help twice! First, by your liberal contribution—"To whom much is given, of him much is required." Second, urge upon your friends and neighbors the pressing needs of the soldiers, right up to the time they are safely settled once more into civilian life.

CUT THIS OUT

OLD ENGLISH RECIPE FOR CATARRH, CATARRHAL DEAFNESS AND HEAD NOISES.

If you know of some one who is troubled with Catarrhal Deafness, head noises or ordinary catarrh cut out this formula and hand it to them and you may have been the means of saving some poor sufferer perhaps from total deafness. In England scientists for a long time past have recognized that catarrh is a constitutional disease and necessarily requires constitutional treatment.

Sprays, inhalers and nose douches are liable to irritate the delicate air passages and force the disease into the middle ear which frequently means total deafness, or else the disease may be driven down the air passages towards the lungs which is equally as dangerous. The following formula which is used extensively in the damp English climate is a constitutional treatment and should prove especially efficacious to sufferers here who live under more favorable climate conditions.

Secure from your druggist 1 ounce of Peppermint (Double strength). Take this home and add to it 2 pint of hot water and a little granulated sugar; stir until dissolved. Take one tablespoonful four times a day. This will often bring quick relief from distressing head noises. Clogged nostrils should open, breathing become easy and hearing improve as the inflammation in the eustachian tubes is reduced. Peppermint used in this way acts directly upon the blood and mucous surfaces of the system and has a tonic action that helps to obtain the desired results. The preparation is easy to make, costs little and is pleasant to take. Every person who has catarrh or head noises or is hard of hearing should give this treatment a trial.
