

Bears go east to prep for T-Birds

by Alan Small

Now that the Golden Bears football team has wrapped up a playoff spot, many would say, "Bring on UBC!"

For the Bears, though, they will have to wait, and play out the season against the 2-4 University of Saskatchewan Huskies.

This would make it the time to experiment. The time to try out the plays that didn't work all year and to get the wrinkles out in time for the playoff game in Vancouver.

This would probably mean that the Bears will be throwing the ball

more against Saskatchewan than they have in the past. It will be hard not to throw more than they did against Calgary last week, when quarterback Darren Brezden tossed only six passes, two of which were caught.

In their last game, they had to win. Jim Donley, coach of the Golden Bears has said many times this season, "You have to dance with the lady you bring."

But now, there is no crisis. This game means nothing in the standings for either team. They'll be playing for pride alone. So it would be

the best time to iron out the passing game.

In their previous conference battle against Saskatchewan, the Bears dodged a bullet when Huskie tight end Robin Beitel had a Greg Galan pass go off his fingertips on the last play of the game. A superb performance by the linebacking corps helped the Bears to a 14-10 victory.

LATE HITS: Huskie quarterback Greg Galan comes off an exceptional passing performance which netted him CIAU football player of the week honors. He completed 30

of 39 of his passes for 541 yards against the Manitoba Bisons last week. The record in Canada is 546 set by Dan Feraday, of the University of Toronto, who set it in 1981... The Bears will enjoy a week off after their game on Sunday while UBC slugs out their last game with the winless Bisons... Bear running back Mark Brus is only four yards short of the Bear rushing record, held by Jeff Funtasz, who set the record in his freshman year in 1984... Brezden is only 145 yards from the 5000 yard mark for his career.

Darren Brezden (left) is 145 yards from 5000 career passing yardage.

p.m., the "U of Agers", the senior citizens gymnastics group will take part in a demonstration. In addition, anyone wishing to take a fitness test will be able to in the fitness unit. There will also be a demonstration of folk dancing for fun and fitness and a scuba diving course will be taking place in the pool. Intramural Basketball/Golf/Free Throw will also be held from 7:30-10:30 in the Education Gym. Various other activities will be occurring in the Van Vliet Centre, in-

cluding U of A sports teams and club activities. The faculty of extension will also have a display of the fitness opportunities which they provide to the general public.

Several other Campus Recreation activities have now concluded. The Tour de Campus Bike Race was held on Sunday, Oct. 18. Despite cool weather, 46 riders completed this annual race.

Small World Series trivia

This is an extra special trivia quiz this time. Since the World Series is going on at this time, we thought that fifteen World Series questions would be in order. The way it works is that there is one question per year from 1972 to 1986. Some of them are tough, some of them are easy. An extra special pat on the back to anyone who figures out which year the questions allude to.

1. His wife had a kid during the World Series he was MVP of.
2. A serious case of hemorrhoids felled this Kansas City Royal against the Philadelphia Phillies.
3. Who is the "Moustache Gang"?
4. Besides Babe Ruth, who is the other slugger to hit three home runs in one World Series game?
5. This former Expo manager took the Oakland A's to the World Series twice in the early seventies.
6. Who's extra inning home run extended this series to seven games between the Red Sox and the Cincinnati Reds?
7. No less than five autobiographies came out the winter after this club won their World Series, their first since 1969.
8. Name the two "Blues" that were on the A's pitching staff for their three World Series.

Campus Week events

The Association of Universities and Colleges of Canada has declared the week of Oct. 24 - Nov. 1 National Universities' Week '87 (NUW '87). Universities across Canada have been invited to plan local events to be held in conjunction with this national campaign. It is hoped that NUW '87 will encourage greater awareness and support for these essential institutions.

"Investing in our Future" is the theme of this year's campaign. This theme is the focus for a wide variety of events that will be happening across the U of A campus. Several exciting events will be offered by Campus Recreation. The week will kick-off on Monday, Oct. 26 at

12 noon with the 10th Anniversary Fitness Workout in the Universiade pavilion. Former members of the original class of the 1977 Fitness and Lifestyle program will return to participate in this workout with members of the current classes. Members of the media will also be present. Following the workout, a nutritious luncheon will be held during which Dr. Allan Warrack, Vice-President (Administration), will proclaim NUW '87 underway.

Campus Recreation will also provide public tours of the Van Vliet Centre on Tuesday, Oct. 27, from 7:30-9:00 p.m. A wide variety of activities will be taking place throughout the evening. At 8:00
