SUITED TO BOYS AND GIRLS OF FROM SIX
TO SIXTEEN YEARS OF AGE—VOLUME II.

THE TIME TO SUBSCRIBE.

Within a year of its first appearance, Harper's Young People has secured a leading place among the periodicals designed for juvenile readers. The object of those who have the paper in charge is to provide for boys and girls from the age of six to sixteen a weekly treat in the way of entertaining stories, poems, historical sketches, and other attractive reading matter, with profuse and beautiful illustrations, and at the same time to make its spirit and influence harmonize with the moral atmosphere which pervades every cultivated Christian household. This important design they endeavor to carry out by combining the best literary and artistic talent, so that fiction shall appear in bright and innocent colors, sober facts assume such a holiday dress as to be no longer dry or dull, and mental exercise, in the solution of puzzles, problems, and other devices, become a delight.
