COMPLETE CATALOGUE OF United States and Canada Revenues

In March, the first edition of this Catalogue will be out. The demand for these issues, particularly the former, is well-known, and it is believed the Catalogue will meet with favorable attention from collectors. The part devoted to the revenues of Canada and the Provinces will be found of great interest, and the pricing forms an important feature of the work.

Ten Cents a Copy, postpaid anywhere.

To be had from all Dealers, Bookcellars, Stationers,
or direct from the publisher
