

Second half action as UNB rushes back to cover Ricker's

high scoring Michaud in Saturday's game. Ricker staged a comeback victory, edging out the Raiders by 5 points.

The 'Big Game' against St. F. X. is to be played this Friday night. St. F. X. comes to town as a highly regarded club after impressive wins against Toronto Marlies and the other MIAA colleges. Their only loss has been to the St. Dunstons' Saints at Antigonish. They boast three strong forward lines as well as a typical hardwood 'X' defense. UNB are fresh from two well-earned victories over Dal and Acadia and they seem to be in good physical condition for this big test which could possibly determine their title chances. . . .

Their first line is composed of Chi Chi Farenzena, Gary McQuaid and Graham Hollihan. The second line is made up of Duncan, Hugh McGonigal and Gus Fahey while the third unit starts Stan Cook, Yves Gregoire and Kevin Murphy. Andy Pete, Bob Byrnes, Jim Bedford and Jon Purcell comprise the defence. Tom Purser is the starting Goaler.

As of Feb. 12th, the 'X' first line had scored sixty points in league play. McQuaid is the Captain and leading scorer of the squad with 14 goals. Both Farenzena and Purser have played two years with the St. Catherine Tepees with such stars as Dennis Hull, Phil Esposito and Fred Stanfield. Purser backed up Roger Crozier during his stay with the Tepees. . . . we here at the Bruns predict that St. F. X. will need all these NHL Stars if they expect to beat a hustling and hard skating Devils hockey team this Friday nite at LBR.

An observer at the recent Canadian High School Curling Bonspiel noted the ignorance of the students in attendance as they showed a complete lack of courtesy toward the visiting rinks by cheering their missed shots. We hope that the visitors to the 'City of Stately Elms' will credit the spectators with ignorance of the etiquette of curling rather than a typical lack of spectator diplomacy. . . . The Red Raiders have dispelled any rumours to the extent that they are inferior to the St. Thomas Tommies. . . . As I bow out as Sports Editor for this year 1964-'65 I would like to extend my appreciation to the various members of my Staff for their contributions — Carol Scarborough, Pat Martin, Diane McKeigan, Willie Davies, Richard Matthews, Arnold Asker, Roly Michener, Keith Gorman, Pete Filmore, Dick Steele, Andy Sutherland, Woody, Richard Simms, and the many typists who have helped to make the publication of the sports pages possible.

Mermaids Fourth

by Carol Scarborough

The UNB Mermaids set out for the Atlantic Open Swimming and Diving Championships last weekend with the sole purpose of improving last year's performance; they returned home in the wee hours of Sunday morning — with their mission accomplished

Shearwater Bluefins, a strong team every year, captured the title with 115 points, followed by Halifax Y Neptunes with 59, Mount A. Goldfish with 57, U.N.B. Mermaids with 34, Fredericton Y Aquanauts with 15, Kentville Marlins with four, and Stadacona Tritons with four. There were five teams who failed to score.

UNB's medley relay team of Kathy Glover, Marg Cameron, Carol Scarborough, and Helen Sinclair finished fourth with a time of 6:24.9 in the 400 race. In the 100 metre freestyle; finishing fifth with a time of 2:59.7.

Carol Scarborough was UNB's only finalist in the 100 metre backstroke, finishing sixth in 1:37.6. In the 200 metre backstroke final, Carol placed fifth in the 3:32.3.

Jenny Adam and Elaine McEwan finished first and second in the 1 metre diving with 210 and 187.25 points respectively, over Sue Jolly of Kentville. All three entries did very well considering that they had to perform eleven dives.

In the 400 metre freestyle relay, Carol Scarborough, Sue Kinnear, Judi Ritchie, and Helen Sinclair finished fourth in 5:38.5, knocking 11.5 seconds off their previous best time. A second team of Joan Dickison, Kathy Clover, Pot Hanson, and Heather Spence finished sixth in this race.

The outstanding swimmer of four individual events, and of Shearwater, who capped the meet was Beverly Britton swam on two winning relay teams. Other top performances came from Anne Maria McCarthy, Ann Henderson and Lynn Palmer or Shearwater, Pat Paul of Halifax Y, and Doris St. Amand of Mount A.

UNB vs Ricker

by RICHARD SIMMS

On Saturday, the U.N.B. Red Raiders played Ricker College — the North East College Conference champs. U.N.B. surprised the Ricker Bulldogs by maintaining a 7 point lead until the last 5 minutes of play but finally lost by 5 points, 70-65. Having lost, however, by 58 points to Ricker at the first of the season, Saturday's game was a fair indication of how much the young Red Raider team has improved this year.

The Raiders played a sparkling first half against the NECC champs. They started quickly in the amazingly foul-free half — getting off to a 9-2 lead. However, Ricker roared back to score 11 straight unanswered points. But the Raiders refused to be headed and played a tight defensive and a controlled offensive game to carry a 32 - 25 lead into the second half.

Now Ricker switched from its normal zone defense to a full court defense. The Raiders were having trouble with the press but held on desperately to their 7 point lead for three-quarters of the second half. But then Ricker's close-checking zone press began to upset the UNB team and with 4 minutes remaining the score was tied 59-59. With both

teams making up for the lack of fouls in the first half, UNB's Cotter and Piers fouled out of the game in the next 2 minutes. This signalled the end for the faltering Raiders and they threw the ball away 2 or 3 times and missed some easy shots to lose to the onrushing Ricker Bulldogs 70-65.

It is interesting to note the absence of field goals in the last few minutes of play. UNB's last 14 points and Ricker's last 9 were all foul shots both teams shooting with amazing accuracy. The Raiders hit 21 out of 24 foul shots in the last half while the Bulldogs had 17 for 23. Field goals however, made the difference, UNB hitting only 6 to 14 by Ricker in this half. Mike St. Thomas was the outstanding player of the game leading the Ricker comeback with 18 of his 22 points in the second half. Michaud also had 22, 12 on foul shots. Pete McAleenan kept pace with Michaud's foul shooting 9 for 10 for the line and 4 field goals for 17 points to lead UNB. UNB continued the balanced attack it had showed against St. Thomas the night before with Patterson scoring 15, Crandlemire 13, and Redden 12. Both McAleenan and Patterson rebounded exceptionally well while playing steady games. 17-year old Gary Crandlemire, getting better every game, played heads-up ball and made a number of pressure foul shots to garner his 13 points.

With most of the players returning next year, UNB's two week-end games showed that they are going to be a team to be reckoned with in 65-66 with this year's experience under their belts.

UNB - Patterson 15, Cotter 6, McAleenan 17, Piers 2, Redden 12, Crandlemire 13, Ewart, Oliver, Purvis

Ricker — Archer 4, St. Thomas 22, Carritte 10, Soucy 11, Michaud 22, Brown 1.

Bloomers Win Twice

by Diane MacKeigan

Following two weekend victories the Red Bloomers are back in first place, tied with Mt. St. Bernard for the lead in the MIAA Conference.

On Friday, the Red Bloomers downed the Dalhousie Tigerettes 456-30 in a fast-moving, roughly-played game. On Saturday, the Bloomers met and easily defeated the Acadia Axettes 56-47.

This weekend the Bloomers are at home to Acadia and Mt. St. Bernard. These are two "must" games for the Bloomers if they are to retain their Championship.

UNB vs Dal Stubbs 9, Martin 3, Bray 6, Carson 6, Barr 22, Austin Hills, Allen MacKeigan, MacLellan.

UNB vs Acadia — Stubbs 16, Bray 8, Carson 6, Barr 25, Austin, Martin Allen, MacLellan, Hills.

UNB Downs Acadia

"The wonders of modern-day transportation . . ." (Henry Ford).

On Friday morning last, the UNB Red Devils stepped on a bus at nine o'clock — destination, Wolfville.

On Friday evening last, the UNB Red Devils stepped off a bus at a quarter to seven — game time, seven-thirty!

Of course the Devils won . . . they were supposed to. So what if they were exhausted. For those who haven't heard, the score was 4-2.

Devils have been trying to keep alive the slim chance they have of forcing a playoff with St. Dunstan's but last Friday's almost unbelievable travel arrangements nearly cost them the chance they have. Devils, clearly feeling the ef-

fects of their ten hour marathon, showed definit technical superiority over Acadia but were just not playing the hockey they were capable of. In the first two periods, passes were continually going astray, positional play was at a minimum and as a result, a vastly inferior team was able to stay with them.

The first two periods floated by and it might have continued that way if it were not for Acadia shocking the Devils with two quick third period goals.

Devils were then faced with the prospects of an ignominious defeat — play improved immediately and Devil's superiority came to the fore; that is, in the form of four unanswered goals from the sticks of Winslow, Drover, Stairs and Madill.

On the whole the game was a tame and lacklustre affair. The Devils were tired, Acadia was poor . . . UNB won.

Summary:
First Period: No Scoring.
Second Period: No Scoring.
Third Period: 0:28 McCharles (Acadia) 1:58 Clard (Acadia)
Third Period: 0:28 McCharles (Acadia) 1:58 Clard (Acadia) 2:30 Winslow (Drover, Stairs) 5:43 Drover (Madill) 14:38 Stairs (Drover, LeBlanc) 15:20 Madill (Naylor, Mackinnon)
