Ritz Hotel,
London.

Oct. 26th 1923.

My dear Amery,

I received a letter from the Hebdomadal Council yesterday, announcing their decision to confer an Honorary D.C.L. upon me, and Doughty went up to Oxford today and arranged with the Registrar for the 6th of November. Everything is now settled.

I do not know whether General Smuts is going or not. I could not get anything definite from him this morning.

I cannot tell you how highly I appreciate all you have done for me in this matter. It is very good of you.

Hoping to see you soon,

I remain,

Yours very sincerely,

(sgd). W. L. McKenzie King.
