Ottawa, November 16, 1925.

Dear Dr. King:

Your very kind letter to the Rt. Honourable Mr. Meighen is before me and as he is absent from the city taking a brief but much needed rest and has asked me to attend to his correspondence during his absence, I am acknowledging your letter.

I wish to thank you for the suggestions contained therein, which shall be brought to his attention on his return and to assure you that Mr. Meighen will much appreciate your thoughtfulness in writing to him.

Yours sincerely,

Colonel Dr. Frank King,
