

November 25th 2

Sir,

I have to acknowledge the receipt of your letter of the 22nd instant in further reference to the survey of the Island applied for by you in the River Ford, and in reply, I have to inform you that the connection of the survey of the Island with the Township of Apsheott, instead of Perry, is satisfactory, and you may forward the Plan and Field notes without any further survey.

The price of the Island, viz \$2500 should be deposited in any Chartered Bank of Canada to the credit of the Receiver General, on account of Indian funds, and the certificates of Deposit and Draft forwarded to the Department.

I am
Your obedient
servant.

In the Deputy of the Sup^t Genl.
