OFFICE OF THE PRIME MINISTER

MEMORANDUM for the Prime Minister.

*Dept. of External Affairs
Mr. King - Requests for Interview
United Kingdom*

Lord Rowallan, World head of the Boy Scouts, and at present on a tour of Canada, telephoned on August 30th requesting if at all possible an interview with the Prime Minister.

In view of the several engagements arranged for him prior to his arrival, he expressed his apologies in having to ask if the interview could be arranged for some time Tuesday morning, September 3rd.

Lord Rowallan also has a letter from Sir Campbell Stewart which, I understand, he was asked to deliver personally.

He is staying at the Chateau.
