

JOHN MACDONALD & COMPANY,

WHOLESALE IMPORTERS OF

Dry Goods, Carpets,

WOOLENS AND FANCY GOODS,

TORONTO,

WE *EG* to call the attention of the Trade that by the combined efforts of expert departmental buyers, going to Britain twice a year, and a resident buyer and staff there, they are enabled by watching the home markets thoroughly to contract and purchase lines of goods not obtainable elsewhere. They can confidently assert that no house in the Dominion has elaborated and systematized their business to such an extent as this firm. The effect and consequence are that year by year the trade constantly and uniformly increases.

The stock is always large and varied, and is continually being supplemented by new purchases of the latest novelties and value.

They solicit an inspection at all times. Letter orders or orders through our travelers receive careful and prompt attention, but personal inspection is solicited.
