WATSON'S

Condition Powders

THE

BEST IN THE WORLD

For preserving good health and prime condition in

Horses, Cattle, Sheep & Pigs.

These Powders purify the Blood, loosen the Skin, allay Fever and Inflammation, cure Coughs, affections of the Throat and Founder (if resorted to immediately). They expel worms of every description, and in fact are beneficial in all diseases of Horses and Cattle.

For Horse Distemper.—One of these Powders given in the first stage prevents Fever, and hastens the discharge; and after the running begins to subside, one more should be given to carry off all humors and leave the glands of the throat healthy.

DONE.—A Tablespoonful night and morning, in a Bran Mash, or soaked Oats. To Colts under two years old, half the quantity should be given. In the case of spasms, whether caused by Bots, Colic, or Stoppage of Water, repeat the dose every half hour, until relief is obtained. The same dose may be given to Cows after calving.
