Cheese and Butter

Makers of these articles, in many instances, do not
pay the necessary attention to the quality of the salt they
use. Some people think that "salt is salt," and it
does not matter where it comes from or who makes
it. This is a great mistake, for it is essential that to
produce the best Butter or Cheese nothing but the
purest salt should be used.

The number of prizes obtained by users of

**"RIOE'S or
COOLEMAN'S" DAIRY SALT**

at the various exhibitions is conclusive proof that these
brands of salt stand unrivalled. For prices, etc., address
