Balance Grapple Fork

GIANT STANDARD Ready for Work

For All Kinds of Hay

Nalfalfa, timothy, loose grain or straw, there is nothing to equalit. There can be no disappointment to the user of a Louden Fork. Build your loads without special care, by hand or with a loader, it does not matter, this fork goes right after it, and handles it right.

Not difficult to work Our Patent Arch Support insures a perfect balance, and swings the fork true open or closed. Handled as easily as a harpoon fork, and gives much better service.

REMEMBER. there is not another fork just as good. Insist upon a Louden. Write for catalogue covering our complete lines.
