Machinery Co., Guelph, Ont., manufac-  
turers of Hay Carriers, Wash-drum Hangers, in  
fact, everything for a barn or stable. Write  
for catalogue and prices.

### The TOWN of ROSTHERN

with a population of 1500, is situated in the heart  
of one of the best wheat-growing and general  
mixed-farming districts in the whole of Western  
Canada. It lies nearly midway between the  
north and south branches of the Saskatchewan  
River, 300 miles west of Winnipeg. It has 3 char-  
tered banks, 8 general stores, 2 first class hotels,  
2 drug stores, 4 hardware stores, 6 implement  
agencies, 6 churches, schools, etc., while the  
capabilities of the district for wheat-growing  
are attested to by the 8 elevators and flour  
mills of 125 barrels capacity. No better example  
of the opportunities which the Northwest wheat  
fields afford than by taking a short drive in the  
vicinity of Rosthern and see the farms and  
homes of men who only 5 or 6 years ago brought  
in all their worldly goods in a box car and who  
now live in homes which compare favorably  
with any farm home in the Eastern States.

For detailed information regarding the Ros-  
thern District, address Sec. Board of Trade, N.W.T.

### SAFE LOCK

## Consider Your Roofing

It should be weather-proof, durable, and moderate in price. These features are  
very prominent in our "Safe Lock" Roofing, and, in addition, they are ornamental,  
and fire-proof, but of still greater importance, they protect a building from lightning.  
There is no other metal shingle on the market as good as the "Safe Lock." They are  
made of a single sheet of galvanized steel; have no parts to get out of repair, and are  
so constructed that they interlock each other on all four sides, and are absolutely  
weather-proof, and should easily last fifty years.

Do not be misled with any of the cheap roofing advertised, but investigate our  
claims and you will use the "Safe Lock," and have lasting satisfaction. Send size of  
roof for special estimate and free catalogue, and if you desire samples, will send  
them by express.

The Metal Shingle and Siding Co., Limited, Preston, Ontario. (Dept. 9)

## BISSELL'S STEEL ROLLER

The frame of steel angle bars, reinforced by  
hard wood stringers and double truss rods, car-  
ried by the heavy steel axle, which runs in roll-  
er bearings, makes a Land Roller—well, farm-  
ers say there is nothing can touch it. Send  
your name and address for full particulars.

### BOYS FOR FARM HELP

The managers of Dr. Barnardo's Homes invite ap-  
plications from farmers, or others, for the boys who are  
arriving periodically from England to be placed in this  
country. The young immigrants are mostly between  
11 and 13 years of age; all will have passed through a  
period of training in Dr. Barnardo's English Institu-  
tions, and will have been carefully selected with a  
view to their moral and physical suitability for Cana-  
dian life. Full particulars as to the terms and con-  
ditions upon which the boys are placed may be ob-  
tained upon application to Mr. Alfred B. Owen, Agent  
Dr. Barnardo's Homes, 214 Farley Ave., Toronto. o
