

"It is wonderfully so, and for that reason I am only too willing that you should announce it to the world of consumptives."

Note by the Publishers:—We have received the above interview from H. H. Warner and Co., Rochester, N. Y., with the request that we publish it for the good of suffering people. In a foot note to their letter they say:

"The experience of Dr. Clark is not strange to us. In our correspondence we have found that many thousands of people are suffering from what they think is Consumption, whereas the real difficulty is with the liver and kidneys, proved by the fact that when these organs are restored to health by the use of Warner's safe cure, the consumption disappears, and so does uræmic or kidney poisoning, which causes so many symptoms of diseases, that the human system is subject to. The same may be said of rheumatism, caused by an acid condition of the system. We insist upon what we always have claimed, if you remove the cause, the system will soon perfect the work already begun. Mrs. Rev. Dr. Theodore Wolf, of Gettysburg, Pa., wife of the editor of the Lutheran Quarterly, said her friends thought her 'far gone with Consumption,' but after a thorough treatment with Warner's safe cure, she says: 'I am perfectly well.' We can cite thousands of such cases, but one is enough. If you publish the above article, kindly send us a marked copy."

We gladly give place to this article, for if we can in any way stay the ravages of Consumption, which carries away so many millions yearly. It is our bounden duty so to do.]—Pub.
