Send to WOOLRICH & Co., Palmer, Mass., for pamphlet entitled "Healthful Hints." RIDGE'S FOOD has without doubt reared more children than all the other foods combined. THE SEMI-TONTINE RETURN PREMIUM  
PLAN

Provides that should death occur prior to the expiration of the Tontine period, the whole of the premiums that may have been paid will be payable with, and in addition to the face of the policy—thus securing a dividend of 100 per cent. on the premiums paid, should death occur during said period.

THE COMMERCIAL PLAN.

The large number of business and professional men who have taken out large policies on the Company's Commercial Plan, show the demand for reliable life insurance relieved of much of the investment elements which constitutes the over payments of the ordinary plans, is not confined to men of small incomes, but exists among all classes of our people.

REVELATION

REVOLUTION

—AND A—  
CREATED BY—  
A. Wilford Hall, Ph. D., LL.D.

WHAT DO YOU THINK OF IT?

First Statement.—This is a new treatment of disease never before published. It therefore has nothing to do with drugs, electricity, magnetism, or any system of dietetics. It is a simple though peculiar home treatment, discovered by a close student of nature, and is possessed of such marvellous remedial power that it takes right hold of and cures the worst cases of dyspepsia, constipation, liver complaint, chills and fever, bronchitis, kidney complaints, even diabetes and Bright's disease, heart disease, with its resulting "cold feet," incipient consumption, internal inflammation, rheumatism, piles, cholera morbus, headaches, and all blood and skin diseases, indicated by pimples, blotches, and yellow spots, and any other disease arising from impurities which clog the system.

Second Statement.—We can fill every page of this paper with the most positive and enthusiastic testimonials ever written by the pen of man in support of all that is stated above, but it would cost too much money.

A SAMPLE TESTIMONY.

The REV. COVERDALE WATSON, for three years, ending with June last, the popular pastor of the Central Methodist Church, Bloor Street, Toronto, but now of Victoria, British Columbia, under date of August 5th, says:—

DEAR MR. SIMPSON,—Yours of the 20th July was duly received. I can only say with respect to Dr. A. Wilford Hall's Hygienic Treatment, that I regard it as a wonderful discovery, and if perseveringly used it cannot fail to be of great service. I would advise any one to get the pamphlet. Begin the use of the treatment and throw medicine to the dogs. A very clever physician said to me the other day, "Let medicine alone, and get rid of the waste materials, and the organs will perform their functions. This is precisely what this treatment does."

Sincerely yours,  
C. WATSON.

"THE MICROCOSMIC ECHO," giving the history, with Portrait of Dr. Hall, statements, incidents and letters from ministers, lawyers, doctors, editors, etc., etc., will be sent free to any address.
