Now Is the time to subscribe for THE CANADIAN CHURCHMAN

To Make Home Pretty and Attractive

Is the wish of every lady. Perhaps we can help you a little by improving some unsightly arch, a nice piece over a bay window, a screen for a stairway, a cozy corner, a handsome stationary or folding screen. The expense will not be much and would add greatly to the appearance of the rooms. We make these in Moorish fret work, Japanese fret work, Seroll or Grille work, all combinations of the different styles and makes, finished in any kind of wood desired. For further particulars address

The Compensating Pipe Organ

Dr. Edward Fisher, Musical Director Toronto Conservatory of Music, says:

"The Compensating Pipe Organ combines, in a marvellous degree, power, sweetness and variety, as well as economy, both of space and cost."
 "The importance of this achievement is far-reaching, and one may safely predict a very large demand for these instruments when their merits are known by the general public."
