HAIL INSURANCE

If you are interested in Hail Insurance ask our Agent for rates and other particulars. He can tell you what the protection will cost this season. Others can only tell you what it cost last year, and guess at what it may cost this year.

The two Royal Commissions appointed to investigate Hail Insurance in Manitoba (1899 and 1906) had absolutely no complaints against Companies that insure under yearly contracts. Why? They hold their business by treating their patrons right, not by a term contract that it is almost impossible to have cancelled no matter how unsatisfactory it may be.

FAIRBANKS-MORSE Oil Cooled Gasolene Engines

DON'T In exceedingly cold climates where it is impossible to use water for cooling Gasolene Engines, FAIRBANKS-MORSE Oil Cooling device solves the problem.

Fairbanks-Morse Oil Cooled Engines cannot freeze up in the coldest weather.

The Oil Cooling attachment takes up less space than a water tank and does away with water altogether. Write us today for full particulars.

Fairbanks-Morse Engines are made in Canada and specified by the Canadian Government. There are none of our engines in use than any other make.
