TUESDAY, JUNE 11, 1850. PLANTAGENET WATER. BY TELLG For the pass shown years I have labored suffer an im-prived size of the interview of the pass of the pass band mitroised over by toilowing the prescriptions given by the best physichens of Paris, of Beauresia, of Crept, and of Gresy, on the lacer, I that since I Lave made the of the Plantagenet Waters, I find myself much better. My hadth has sensibly improved, and I am quite inclined to believe that, by the means of these beneficial Willers, I can be radioally cured. is quite puzzled what to take up first. One of CITY NEWS. GANADIAN AFFAIRS. the prettiest sights at the Springs is Mr. Wilkin-son's Cottage, a visit to which is attended with no ordinary pleasure to those gifted SALE OF TELEPS, &c. - At Mr. Dougan's Gar <text><text><text><text><text><text><text><text><text><text><text> VLA MONTRE 41 ON OUR OWN CORRESPONDENT.) m before Eight o'clock, P. M., on the vier to d spinel publication. Alternoon, at Two o'clock - See Advertisement. PAIRTINGS.-We would especially call the att Tesosto, June 7, 1850. with a love of the Fine Arts, for he has an excellent collection of pictures and other articles our readers to the Gallery of Painting's now in course of exhibition, under the Odd Follows' Hall, in Great St. RRIVAL OF THE A exhibition, under the Odd Pollows' Hall, in Great St. James' Street. Miniy of these Pictures are of great merit and by well known Paintees, and the prices for them are remarkably low. We may observe that no charge is made for merely visiting the Gallery. "Stonn Bautor or Mostanat,.-Daring the late visit to this city of the Right Beversuid, the Lord Bishoff of M. streel, our of his Lordship's meritorious acts was to enable, by express permission, the Rev. J. A. Devine, M. A., so resume the active discharge of his Ministerial functions. Mr. Devine has already, we understand, in MAURICE PROUX, ATLANTIC Soulanges, 24th May, 1850. Soulanges, Sáth May, 1859. My disease is a Hyperemdris, which has become chronic. I feel an oppression and outprecision in the articulations of the Byingmis up to the shoulders, where the contracting of the Plantagenet Minoral Whiter, it seems to use as though my shoulders had been cleared of fifty Kidgress. He-fore I made use of your Minoral Waters, I never ex-pectorated, now'l experientite a large quantity of signy matters. I think that, for these who are troubled with vitained humours, there is no better catheric than the Plantagesnet Waters, because they operate without debili-ting or irritating the digestive organs. These subvan-ages are never found with Pharmacentick medicutes, as experience as inaght me; for falter many falte digra-tions, equared by a diet too seddwary. I have tried and been the source of my severe illnes. Accept, Str, the assurance of my great consideration, Matrixer Paorx. Priest. Decide of Sculances, 24th Nav, 1850. Latest from Havana. CHARLESTON, Idie 6. The schr. Merchani arrivel trom Havana, with accounts to the 30th ultime. The U. S. Steam Frigate Saranar a rived at Havana on the 20th ult., carrying despatches to the Captain General and to Gen. Campbell, the Computat Havana. It is stated in Havana that the Saranar is put under the orders of the Gover-nor of Cuba, to assist in suppressing any armed expedition from the States. The ships Albany and Germantourn, lying at Havana, received information that a Spaniah ves-sel of war was expected with a part of the Cube Ex-pedition on board, and sere about exacting the release of the prisoners, when the Sarvac came op, and after an interview between Tatnall ard Commander Randolph, the Spaniaris were allowed to take the prisoners into Havana, who were placed in confidence of a Spaniah 74. ed on a point projecting into the Lake, and used by both for religious purposes, although they kneel most scrupulously apart within its walls.

We presume that this alienation between such

At the back of the Indian villages, two huge nountains rise and stretch away in the distance and from these the Lake derives its name.

On arriving at Point Fortane, we found seven coaches in waiting for the espected visiters, the distance from Point Fortune to the Springs being thirty miles, which, as already stated, was accomplished in five hours. There are no very ineresting features to attract the attention of the tourist on this route; the country presenting almost universally a barren and desolate appearance. Quite a number of French Can have, during the last few years, squatted in this part of the country, and their farms, as a matte of course, are the worst tilled, and their cattle may be compared to Pharoah's lean kine.

Upon arriving at the Springs, the guests we

received by Mr. Wilkinson, and comfortably stowed away in the large and airy apartments of stowed away in the large and any apartment of Mr. Brown's Hotel, which is quite a credit to the place ; indeed it is impossible to and fault either with the attendance or fare. Three Springs, the Saline, Sulphur, and Gas, are situated in front of the Hotel, in a small ravine,

Three Springs, the Saime, Suiphur, and Gas, are situated in front of the Hotel, is a small ravine, not a bow-shot off; the fourth, or " Intermittent Spring," is distant two miles and a half from the Summer. To kill time may be difficult in some spots in the world, but at the Caledonia Springs it is any thing but an Herculean task ; what be tween the circular railrond, archery, shooting, bil-liarde, ten pins, and a host of miner games, on
