New York Dentist Told Calmly How He Set About Work of Murder

Dr. Warren Waite Commit- change of voice or expression to ted so Many Crimes, He

This question confronted the jury to-day in the Peck murder case. The young dentist left the witness stand last night after five hours and forty-five minutes crowded with horrors unparalleled in the history of New York criminal trials. Every detail of his story was noted by the alienists engaged by the defense for use in fram-he was mentally responsible when he killed his father-in-law, John E. Peck. Waite's testimony left the prosecu-tion's attorney to-day nothing more to do towards proving that he com-mited murder. Their problem was to show that a monster of crime such a the defendant confessed himself, might have been mentally normal and therefore a fit subject for the electric

He says the U.S. would ment newspapers in their editorials have played a superlatively great to-day make savage attacks on the and noble role in the war if it had folpected that the alienists would take the stand soon after the state finished cross-examining the defendant.

The supreme moment of Waite's tale came last night when the young witness declared in calm conversational tone:

"Why I wanted those bacteria to kill those three persons, Mr. Peck, Mrs. Peck and Miss Peck, the maiden aunt. I wanted them to die. I wanted their money."

WHAT HE USED. dent Wilson's original

Baron Hengelmuller points out what he asserts is the radical difference in tone of the American notes to Germany and Great Britain. He refers sarcastically to the note with regard to the torpedoing of the Italian Seamer Ancona as evidence that the United States had succeeded in getting back into training and had not ting back into training and had not forgot the use of genuine American harshness after its note to Great Britain which, he declares so lacked that quality. The writer points out that despite the attitude of the United States throughout the entire contro-
