Rippling Rhymes

GOOD FOR US

The rain is falling as I write, the cold November rain. It is a black and cheerless night, and I sit on my tin roof flat, and make a noise insane. The rain is pelting, pelting down. I hear it splash and beat; and I'm wiser to wear a brown and red and my spangled dressing gown—this rain will help the wheat. All things unpleasant do us good, so all the sages say; instead of using steaks for food we ought to make a stew of wood, or boil some prairie hay. To teeter in a chair and rock is pleasant. I must say, but all the doctors come and knock and say we ought to get and walk a hundred miles a day. If there is something we despise, that is the stuff we need; we hate to sweat the silly flies, but in that task we get safety, so let us walk the board's sacred. We all are liable to ill which make us pale and thin; and while we pay the doctor's bills we know there's nothing to their pills unless they turn like sin. Some times I think that life's a fake, a rather sorry jest; my spirit feels a throbbing ache, for everything I ought to take is scratching the head. The rain is streaming down the door like water gone to seed; it drives my heart, it makes me sore; and since it is a beastly bore, I know it's what we need.

URIC ACID IN MEAT CLOGS THE KIDNEYS

Take a Glass of Salt if Your Back Hurts or Bladder Bothers.
 If you must have your meat every day eat it but flush your kidneys with salts occasionally, says a noted authority who tells us that uric acid, a waste product, clogs the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the neck or side, dizziness, your stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated; obliging you to seek relief two or three times during the night.
 To neutralize these irritating acids, to cleanse the kidneys and flush out the body uric acid must get four ounces of Jad Salts from any pharmacy here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.
 Jad Salts is inexpensive; cannot injure and makes a delightful effervescent lithia-water drink.

EARTHQUAKE TREMORS AT MONTREAL.
 Residents of Montreal have frequently imagined they felt earthquake tremors. It was only the blasting during the construction of Mount Royal Tunnel which has been completed and was opened on October 21st, on which date the Canadian Northern Railway established through train service between Toronto Union Station, Ottawa Central Station and Montreal Tunnel Terminal, 415 LaGauchetiers St. W. two blocks from the Windsor Hotel, Windsor and Bonaventure Stations.
