THIS ORIGINAL DOCUMENT IS IN VERY POOR CONDITION

THE REPORTER, FARMERSVILLE, THURSDAY, MAY 22.

LOCAL ITEMS.

The day is fine, eh?

The chimney on Perth street looks very antique.

Stevens Bros.' new Hearse arrived last week and is lovely to look upon, as well as strong and substantially made.

Our road commissioner got on the warpath yesterday, and the way the old planks flew is wonderful. Hope he will keep steam up until our walks are thoroughly repaired.

We would advise the boys not to partake of too much "tangle-leg," and get tired on the Main street, as the Chief is now on duty and they may fetch up in the Pie house.

The High School boys expect a high old time on the 24th. They are arranging for a scratch game of baseball with the "Kilkenny Boys" from near Lyn. Fuller particulars later on.

Gordon Bros. have everything in readiness for wool carding. Their machinery has all been thoroughly overhauled and put in first-class working order. They expect a large run this season.

The Chief will make a thorough investigation of garrets, potholes, flues, etc., in search of fire. We would advise the good housewife, if the winter cobwebs still linger, to brush them away, as the "oopp" is attired in a fine navy blue suit (cap included), and should it become tarnished in the discharge of his duties, their might be some language used unfit for print. Also tie up the bulldog, as the "billy" will be in company and the pet will be subject to annihilation.

Division Court at Farmersville.

The docket of this court for May 16th contained seventeen cases, of which twelve were special summonses, one action on contract and three on tort, and three examinations on summonses. His Honor, H. S. McDonald, presided with his usual good natured, kind and just manner, giving much good feeling of satisfaction to all interested.

The docket, although lengthy, was disposed of by 1 o'clock.

Mr. Wright, of the firm of Jones & Wright, barristers, Mr. Campbell, of Gananoque, and our old and experienced friend, Geo. P. Wight, were in attendance and dealt out their views on the legal points to their various clients.

One case of offset and account occupied a considerable time before a learned jury. The polite affable manner of the plaintiff in this case, coupled with his knowledge of the law; saying nothing about the justice of the case, we think had a "little" effect upon the jury.

Examination summonses are very strict one defendant being ordered to jail for thirty days. The most laughable of all was the man who wore the fancy watch chain. His Honor, the Sudge, thought he ought to contribute at least \$2 per month to the court if he could support such style, and asked to see the watch, but, lo, and behold! no such an appendage was there, and "things were not what they seemed."

HUNT'S COUGH SYRUP OF WILD CHERRY AND TAR,

Is steadily gaining in popularity, because it is a good reliable remedy, and cures when others fail. In view of the prevalence of Coughs and colds at this season, it is well to have within reach a medicine that can be depended upon and pleasant to take. Children like it, and it only costs 25 cents per bottle. No family should be without it.

LAMB'S HORSE POWDER,

For the cure of Coughs, Colds, Distemper, &c., just now so prevalent. We do not claim it a condition powder and cure all, but as the disease is removed the appetite increases and nature will then assist in its work and your horse show a marked improvement in a short time. We have many certificates of wonderful cures effected by using these preparations, which I will publish soon, that others similarly effected may know where to find relief.

I also take this opportunity to thank my customers for patronage given me, and hope by keeping my stock supplied with all necessaries in a well-kept drug store, to still merit a continuance of the same. Wishing you all a prosperous year, I am yours respectfully

J. P. LAMB.
