

An Open Letter

To Our Customers and Friends:

We have just finished stock taking and are now ready for another busy year. We are pleased to be able to say our sales in 1925 exceeded any previous year by 35 per cent., a fact which means an advantage to our customers as well as ourselves; for, as the volume of our business increases, our percentage of profit correspondingly decreases, and we positively assure those who favor us with their patronage during 1926 a greater variety and better values than ever before—and why?—Because we made large purchases of spring goods as early as December, and before the advance in price, (which is fully 15% on all cotton fabrics), and because we made a further saving in cost by paying actual spot cash for every dollar worth bought, and because all these advantages are for our customers' benefit. Come and see us; we want your trade and influence and in return will give you the best treatment and the closest possible prices consistent with a healthy, legitimate business.

Respectfully,

Central Block, Athens **H. H. ARNOLD**
