Choice Miscellany.

You'll come to-morrow, then,' and when able temper married to an ungovernable wound which injury gives, and that soft the morrow broke
Pale lips in the crowded city of the 'railway accident' spoke.

The morrow broke
temper married to an ungovernance wound which injury gives, and that soft words assuage it; forgiving cures and forgetting take away the scar.

MOST WONDERFUL FAMILY REMEDY

A strong man in a stranger's home, in death's dread quiet lay,

And a woman sobbed a full heart out in a cottage a mile away.

So lightly our thoughts leap onward, so

Female Soldiers.

carried away by an adventurous impulse, that she followed the squad of boys who had enilsted in her neighborhood, and, to both the building and the administrative of the boundary of the both the building and the administrative of the boundary of the both the building and the administrative of the boundary of the both the building and the administrative of the boundary of the both the building and the administrative of the boundary of the both the building and the administrative of the boundary of the both the building and the administrative of the boundary of the both the building and the building and the both the building and the building and the both the building and the buil had enilsted in her neighborhood, and, dressing as a boy enlisted in the company that was forming in the county town. Her friends discovering the long hair she had cut from her head and the clothing she had thrown off in her father's barn, gave immediate pursuit. As they were driving into the city they saw wallking along the sidewalk smoking a cigar a young fellow who had the same sort of a face as the girl who had the same sort of a face as the girl cadis assembled and heard the complaint

thing at the time, but after consultation with the colonel had the recruit with the famine hands brought to be determined by the property of t femine hands brought to headquarters.
The bright looking soldier in the new blue suit admitted in two minutes that

was in front with the army, a young lady same toward me, bowed with exaggerated stiffness, and as she straighteed upwent through the motions of obeying the order "Eyes right." She offered me her hand and thanked me for something shat she supposed that I had done and wasked away. She was pretty enough to be the belle of the occasion, and I saw she took considerable delight in my confusion of mind, all of which I understood later when I learned that she was my recruit with the ladylike hands. She afterward told me that she owed me a debt of grattude for stepping in at the light time to break down her romantic notions.—

Okinevine Ledger.

As I stood a little aside from the main party, wishing that I was in front with the army, a young lady catering intense to Coughs, Croop, Astima, Pneumonia, and in fact all throat and lung diseases. No person can use it without immediate reproductions and send pay for all. We use Johnson's Anodyne Liniment for a nasal wash for catarrh, but find Johnson's Anodyne finiment for a nasal wash for catarrh, but find Johnson's Anodyne diatric attributed with it. We had tried almost everything recommended at my the most deliente invalide. Upon one trial the merits of this Compound will be recommended in person can use it without immediate reproducts the duty of all Drug cases, and we consider it the duty of all Drug cases, and we consider it the duty of all Drug cases, and we consider it the duty of all Drug cases, and we consider it to the poor, dying gists to recommend it to the poor, dying distributed to the most deliente invalide. Upon one trial the merits of this commended are distributed to the most deliente invalide break down her romantic notions .- agony with bronchitis, and I used it as

Unequal Marriages.

The genius of Milton never found a sweeter theme than the ideal marriage of our first purents in Eden, yet he who wrote so beautifully of the married state was himself the victim of an unhappy perhaps been more unfortunate in this respect than ordinary mortals, because, living on a higher plane of the course. Experience has taught me the living on a higher plane of the course. equal to themselves. The same is true, dthough not to the same extent, of wo ferior to themselves in mind, because a heart. woman's nature has not only more endurance but more adaptability in it than a man's. The man soon grows impateur of the conversation of a frivolous than to be able to read L occupations, but the woman often feels a place husband, if only he be an honest nd considerate fellow, and with her more than with man, "pity is akin to love." Hence it is that there are probably more clever and highly-gifted women who throw themselves away, as the phrase is, upon a good-natured simpleting than of talented men who fall in the laxuries do not always bring happing. love with women who are not in intellectual sympathy with them.

Editors' Work.

they were in pursuit of.

and then the defence. The sultan appropriate the propriate that the confellow, and were treated to such a show-clusion of the trial to get the opinions of periodical and the talent of its editor by fellow, and were treated to such a shower of epithets and such an exhibition of bravado that they admitted their mistake and apologized for it. An hour later one of the party found the same young fellow deathly sick from smoking the cigar.

He called him by the girl's name and found that after all the young fellow who had done such hard swearing was the girl they were looking for. She was taken home and afterward entered the.

Some people estimate the ability of a periodical and the talent of its editor by the quantity of its original matter. It is comparatively an easy task for a frothy writer to string out a column of words upon any and all subjects. His ideas may flow in one weak, washy, overlasting flood, and the command of his language may enable him to string them together like bunches of onions, and yet his paper may be but a meagre and poor concern.

Some people estimate the ability of a periodical and the talent of its editor by the quantity of its original matter.
