A Recent Cure of Scrofulous Sores.

"Some months ago I was troubled with scrofulous sores (ulcers) on my legs. The limbs were badly swollen and inflamed, and the sores discharged large quantities of offensive matter. Every remedy I tried failed, until I used AYER'S SARSAPARILLA, of which I have now taken three bottles, with the result that the sores are healed, and my general health greatly improved. I feel very grateful for the good your medicine has done me.

Yours respectfully, Mrs. Ann O'BRIAN."
148 Sullivan St., New York, June 24, 1882.

All persons interested are invited to call on Mrs. O'Brian; also upon the Rev.Z. P. Wilds of '8 East 54th Street, New York City, who will take pleasure in testifying to the wonderful efficacy of Ayer's Sarsaparilla, not only in the cure of this lady, but in his own case and many others within his knowledge.

The well-known writer on the Boston Herald, 3. W. BALL, of Rochester, N.H., writes, June

"Having suffered severely for some years with Eczema, and having failed to find relief from other remedies, I have made use, during the past three months, of AYER'S SARSAPARILLA, which has effected a complete cure. I consider it a magnificent remedy for all blood diseases."

Ayer's Sarsaparilla

It is incomparably the cheapest blood medicine, on account of its concentrated strength, and great power over disease.
