Northumberland County Court

Northumberland County Court

The County Court Court Court of the hold of the but the animal head downwards to the hair, a single squeal is given, a travelling contrivance carries the amimal head downwards to the hand of the butcher, a single thrust does the business, and onward he goes to the scalding tub. We were assured that the single squeal given by the hold was the only thing which was lost, everything else was utilized. We were shown the table on which the hair and bristles were removed. When the hair and single squeal is given, a travelling contrivance carries the employment of a Catechist at Black Brook and ground on the opposite side of the River.

Catechists were appointed provisionally to Hardwick, Boiestown, &c., Kouchibouguac and New Bandon and Caraquet.

Certain studies in Greek and Mathematics were presented to W. R. Robinson, which The County Court opened to-day. His the hair and bristles were removed. When the table on which were presented to W. R. Robinson, which the animal is thrown from the tub it is he is to prosecute under the care of the

siding.

There were no criminal or civil causes before the Court. Mr. R. B. Bennett made application for naturalization of the following persons, Ike Brown, Abraham Farrah, Emil Rennibu.

The Court ordered the certificates to be filed of record and that certificates are recorded by the service of the latter of the principal items of business.

The next quarterly meeting is to be held at Newcastle on the last Tuesday of June. The Presbytery adjourned to meet at Black Brook on April 9th at 6.30 p. m. and that where there was so much slaughter. that where there was so much slaughter, filed of record and that certificates of inth would abound, not so! the blood naturalization under the seal of the Court be granted to the applicants.

Mr. Robert Murray on behalf of Samuel
Johnson read naturalization papers. The
Judge ordered the certificate to be filed of
record, and that certificate under the seal record, and that certificate under the seal for generating ice, which we were told of the Court be granted to the applicant. cost \$160,000, and finally to the freight

cost \$160,000, and finally to the freight cars where the output was shipped. I asked Mr. Keating what impressed him most in all he had seen? And he replied that the merciful brutality shown as compared with pig killing at home, where if a single pig was killed it was forced to squeal for lours, and next the scrupulous cleanliness, while lastly the systematic manner in which everything was conducted, surprised him greatly.
