THE SKIN ON FIRE

Hon. Clifford Sifton replied to the toast. In the course of his remarks he pointed out that the homelanders were keen about South Africa, but not about the other solutions. So dreadful are the sensations of burning, itching eczena that victims frequently describe their sufferings by saying that the skin is all on fire. The stinging, biting fires of eczema are quenched by the use of Dr. Chase's Ointment. The first tew applications may cause a little uneasiness but cure is sure to result and the skin is bealed without scar or blemish. So dreadful are the sensations of burn- Use KENDRICK'S Liniment.
