PROSPECTUS

MASONIC REGISTER. AND GAZETTE OF NEWS.

MASONIC REGISTES. AND GAZETTE OF JEWS. It is proposed to give this paper a character which Is and make it equal; if not superior, to any Ma-sonic periodical in the United States, and a valuable formal to be forwarded to every part of the globe. It will contain each week a new and well-written story of a useful and noral tendency, well-digented Statemaries of Foreign and Domestic News and Masnic Intelligence, the movements of the various Benevalent. Associations, Literary, Religious and outper societies of this city. Fublic Annasements, Notices of Foreign and Domestic Publications, Original Poetry by admired authors, Original Moral Easys, with an Editorial leader on some appropriate tops of Foreign and Domestic Publications, Dirace of Foreign and Domestic Publications, Notices of Foreign and Domestic Publications, Notices of Foreign and Domestic Publications, Notices of Foreign and Domestic Publications, Original Poetry by admired authors, Original Moral Easys, with an Editorial leader on some appropriate tops of the dys. The will give the most impartial statements of mar-ity and out of the Order, and beit the same protein Biographics of distinguished Free-Masons, and outse bright worthies in the states. Also original Biographics of distinguished Free-Masons, and outse bright worthies in the scalagene of form, learnt discoveries in the Arts and Sciences, and im-bortent discoveries in the contains of this Journal, the later Foreign and Domestic General Intelli-fie Order, waat actio the columns of this Journal, the later Foreign and Domestic General Intelli-tie (Interview in the wave aveid out an-mined), to introduce into the columns of this Journal, the later Foreign and Domestic General Intelli-pic Order, waat actio herew,—thus mathing it a paper in which all will feel intercosted. This, it must be periodicals, and will, no doubt, prove as great a indication is an entrely new flature in Masonic periodicals, and will *becitared ubera* to the cin-periodicals, and w

Periodicits, and with, no over a well as the city Free-masons.
 We pledge ourselves that this paper will be "al-ways on hand"--will be delivered when expected.
 We would fraterially request all brothets, who ap-prove of our undertaking, to use their good word-their influence in protering subscribers for this--the FREE-S-RASON"s NEW WORD FRE.
 Finally, every department of the Paper will be properly attended to, and every sid that talents, means, position and industry can bring to the task, is secured for this enterpring, to much is in all respects the MASON'S NEWSPAPER. To the Masons of America, and the Fraternity wherever they may be fund, we offer a sheet that will be entirely worthy of their favorable consideration and support.
 Office, 343 Broadcasy, (Third Floor.) J. F. ADANS, M. D., S. LAZARUS, HENRY N. MARQUAND.

Four laggard months have wheeled their rou Since love upon it smiled, And everything of earth has frowned On thy poir writen child, sweet friend, Thy weary, saflering child.

When from my gentle sister's tomb, Long since, in tesrs, we came, Thou saidst, "How desolate each room!" Well, unite, were just the same that day— The very, very same.

most of my impressions; and when six months had el-psed, I discovered that I knew almost no-thing upon the subject of my stodys. But I had learned the useful lesson, that my first judgment had been incorrect, because my position was a false one. I had, understaken so study the East with a Western spirit." It is, sherefure, only by making extreme reservations that we can judge of the present state of the Turks. They are generally indulent, and without energy in the industrial aria. The only occupa-tion they have independ from the battle field. As <text><text><text><text><text><text><text>

CHABACTER OF THE TURKS. General characteristics of the Turks.—Their virtues and defects.—The civilized Turk.—What he has gained and lost.—Women in Turkey. The books recently published open this subject are very contradictory. Some of them represent the Turks as worthy of the highent ealogy, others give an opposite opinion. Travellers judge, the Turks after their own passions and prejudies, not after a thorough acquisitnance with the party itted into the families of Mahommedans. They into the families of Mahommedans. They into the families of Mahommedans. They inted into the families of Mahommedans. They and the other large Eastern cities, without even having learned the families of Mahommedans. They inted into the families of Mahommedans. They inted into the families of Mahommedans. They with correct information. They go to pass a few months at Constantinople, having learned the families of Mahommedans. They with correct information. They meet with adventurers, exception-able persons, with whem they converse for a short time ; and then they return to the Weat, to publish, with foolish confidence, their superficial impressions. Haw, then, can they furnish use or of the latest English travellers has had they greatedence in Constantinople, I could have express-ed, very decidedly, my opinions in regard to the instuture, horoughly applied to all the joints and cracks, by which imeans, not only the busy, but the eggs will be destroyed. It will be well at the same time to acount the maxiture, thoroughly applied to all the joints and cracks, by which imeans, not only the busy be well at the same time to acount the foar of my impressions; and when six month had el-psed, I discovered that I knew aleman the had el-psed, I discovered that I knew aleman the had el-psed, I discovered that I knew aleman the had el-psed, I discovered that I knew aleman the had el-psed, I discovered that I knew aleman the they while the same time to acount the foar differ proon will be the same time
