## GOLDEN GROVE WOOLEN MILLS.

The above named Mills are fitted up with the latest improved Machinery for the

Tweeds, Homespun, Blankets, Flannels, Yarns, Etc.

### Custom Carding by the Latest Improvad Method

of Willis' Patent Continuous Roll Card, which is a great improvement over the old way of Custom Carding being instead of a short roll a continuous roll of two or three hundred yards. The staple of the wool by the new process is taken lengthwise which makes the yarn spun evener and stronger than the old way, which makes a saving in time and labor. It has been tried and tested by some of the best spinners in St. John and Kings Co. and has been pronounced by them

### THE MOST PERFECT ROLL MADE.

We are now in a position to handle any amount of WOOL that may be sent to us. We will give in exchange for wool, not only the products of the Mills, but anything in our store in General Dry Goods, Gentlemen's Furnishings and House Furnishings at the Regular Cash Prices.

We Have But One Price On Our Goods. CUSTOM CARDING AND WEAVING A SPECIALTY

We can assure our Customers and the Farmers in general that they will achieve the best results by sending their wool to us.
