Spring Greeting!

The Spring, the Merry Spring has come,  
We're busy bees and make things hum;  
New Goods upon our Shelves are laid,  
And here's the place for you to Trade.

The Spring, the Merry Spring has come,  
We'll make more noise than any Drum;  
Few Better Goods than ours are made,  
And here's the place for you to Trade.

The Spring, the Merry Spring has come,  
The birds and bees are on the hum;  
No Stock puts ours in the shade,  
And here's the place for you to Trade.

The Spring, the Merry Spring has come,  
Our store's the place you'll feel "to hum."  
Join in the General Serenade,  
And sing "Here's the place for you to Trade."

The Spring, the Merry Spring has come,  
Our minds are made up to not be dum;  
Fall in and join the Grand Parade,  
That's marching to our store to Trade.

Who's store? Why, ACHESON & CO'S. That's the place for you to get  
Bargains. If you don't believe it, go and see for yourself. If you are in need of  
Dress Goods, they can suit you exactly, and won't charge you very much, either;  
and you won't have to run around town to get trimmings to match, for they have  
them all. Or, if you want a Suit of Clothes, they can deck you out in a suit fit to  
go and see the Governor General in, for very little money, and they guarantee a  
fit or no sale. If you have any Farm Produce, bring it along; they can buy all  
you have, and will pay the highest price at

### A POEM.

Of a Sole Stirring Nature.

For boots of kid or cordovan,  
Of any price or size,  
You'll find that Downing is the man  
That you should patronize.

In kid or calf for summer wear,  
Or for the coming spring,  
His immense stock salutely here,  
With just the correct thing.

In lady's wear he does excel,  
For fit and neatness too;  
The graceful lady he knows well,  
To give to any shoe.

In prices he's not undersold  
By any in the business;  
For all agree, both young and old,  
That he's the soul of cheapness.

In fact, you should just understand,  
(If boots you should be wanting)  
That EPHRAIM DOWNING is the man  
That rules your understanding.

His country friends, down the shoreline,  
Or 'way up the concession,  
Will find him there at any time,  
Busy at his profession.

At custom work, where taste and skill  
Are all so much now treasured,  
Just try him once—you never will  
By anyone else be measured.

So don't forget the corner store,  
The foremost in the town;  
The electric light is over the door,  
And plate-glass all around.
