LOST CONFIDENCE.

with the merits of the Alberta and than their personal inclinations or dis-right-about on the naval question. He transaction. The documents, came Great Waterways bargain. The question before the House is whether or not the Government retains sufficient duty is clear and unequivocal. It is to his followers and the country what table of the House one of two things confidence to warrant the members continuing the ministry in office. Fri. look to declare its views. And they reversed his judgment, day's vote to the contrary, there can are the men the party will hold renot be very much difference of opin- sponsible for declaring these. To and in failing he destroyed what manner, or that somebody had got on on that score. The result of the party in a false position of appearing or effective in influencing or effective in influencing or on the party in a false position of appearing interesting or effective in influencing or on the party in a false position of appearing interesting or effective in influencing or on the party in a false position of appearing interesting or effective in influencing or on the party in a false position of appearing interesting or effective in influencing or on the party in a false position of appearing interesting or effective in influencing or on the party in a false position of appearing interesting or effective in influencing or on the party in a false position of appearing interesting or effective in influencing or on the party in a false position of appearing interesting or effective in influencing or on the party in a false position of appearing interesting or effective in influencing or on the party in a false position of appearing interesting or effective in influencing or on the party in a false position of appearing interesting or effective in influencing or on the party in a false position of appearing interesting or effective in influencing or on the party in a false position of appearing interesting or effective in influencing or on the party in a false position of appearing interesting or effective in influencing or on the party in a false party in a false position of appearing interesting or effective in influencing or on the party in a false party in bers were not very sure whether they had confidence in the Government or not. Perhaps it would be more correct to say that it indicated that the memnot. Perhaps it would be more correct seeming and temporary party solidaring that it indicated that the members were not very sure whether the life. This is a position the party does March and condemned in July. But the missing papers he brought down country has confidence in the Gov. not and will not take. The Liberal country has confidence in the Government or not. It is much more likely the vote only reflected the native likely in its ability and will not take. The Liberal why he did all this he failed to make clear, and even failed to try to make clear. That he was occupying precisely, the contrary of the position he ural disinglination of some members cess lies wholly in its ability and wilof the House to discharge an unpleasant duty. It is not an agreeable thing the public interests against all-comfor members of a Legislature to form- ers. That fundamental duty the party tell us. ally and directly demand the retire. has no intention in the world of deally and directly demand the retire- has no intention in the world of dement of an administration with which parting from nor of neglecting. If planation as to this. There is no draft mortgage. The draft is missing. they have been on most questions in the men to whose hands it has for they have been on most questions in the time committed the duty of repre-thorough accord, and with the mem- the time committed the duty of repre-in either public or private life who as general is not there. Again Mr. Minty bers of which they have been on senting it are unwilling to express its the result of new information and close personal terms as well as in allegiance to this duty then the worse longer reflection alters or even restricted the result of new information and contain the result of ne close personal terms as well as in for them. The party has made up verses a former judgment. If he can there. No letter appears sent by the political alliance. To suppose that for them. The party has been political alliance. To suppose that its mind, and everybody concerned show good reason for having done so he merits and receives the credit for A letter from Mr. Minty mentions the

most unobservant group of gentlemen. The newspapers, the resolutions passed by public meetings, the com munications received by the members themselves, the talk on the streets, administration has gone. The people have read the evidence on both sides. They have rendered the verdict as

clearly as it could be rendered with-

out a general election. The House knows full well what the judgment is, That being the case there is a duty straight before the Legislature and a duty which must be discharged however unpleasant for many of the members. They were chosen to represent the people, not to represent their personal likes or dislikes. It has been established that the Government has ish business and adjourn for the year made a cardinal mistake and it is leaving this matter unsettled. The the hard law of politics that only motion for the appointment takes cog. of the country with him. one cardinal mistake can be tolerated from the same ministry. It would not be safe were it otherwise. Men who have been misled once are liable to be misled again. Public affairs are altogether too important and altogether too vital to the welfare of the community to be left in the hands of men who have made such mistake. Everywhere where popular government exists it is the invariable and unavoidable custom that one such error is the last. That such error was committed in the agreement with the Alberta and Great Waterways company cannot be questioned by any should be held back after spring had both declared in favor of. member of the House. Those who voted against the Government declared so. Those who voted with the Gov-

Ministers themselves declared so equally. On this the House is agreed that the bargain was one which need ed fixing. And having taken that stand there is only one possible course for the members as to continuing the conduct of affairs in the hands of the men who made the mistake. What ever pretext might be offered for it
