SPARTAN OUTBREAK

COPENHAGEN, Jan. 23.
Spartan forces have overthrown
the government in Wilhelmshaven,
and occupied the banks
of the city. They have or-
dered the court martial of their op-
ponents. Railway traffic to and from
Copenhagen has been stopped.

THE GERMAN COLONIES.

LONDON, Jan. 23.
Standard in an editorial to-
day says that although the Peace
Conference has not fully settled the
disposition of Germany's
colonies, it is understood that
agreements have been reached on the
points. These agreements in-
clude the giving of German South
Africa to the South African
Union, and German East Africa to
Britain as mandator of the
League of Nations, some portions be-
longing to the Belgian Congo.
Kameruns will be chiefly
divided between France and Brit-
ain, Togoland French and Brit-
ain, and the Pacific Islands either
divided between Japan, Aus-
tralia and New Zealand, or adminis-
tered by Great Britain for the League
of Nations.

of winter rains, it is difficult to
forecast the future but undoubtedly
government action since the appoint-
ment of a food commissioner, has
helped to allay apprehensions. This
is apparent from the prohibition of
the exportation of Indian grain and
the acquisition of most of the Bur-
ma rice crop under favorable condi-
tions, also the promised supplies of
Australian wheat which will tend to
bring down the prices of hoarded
stocks. Apparently nothing is set-
tled regarding the suggestion to ob-
tain maize from South Africa. Re-
laxed measures facilitating the inter-
provincial transportation of food-
stuffs would probably ameliorate the
situation by the transfer of a surplus
grain to the worst affected areas.

HEARD CHINA'S STORY.

PARIS, Jan. 27.
The Committee of the Great Pow-
ers heard the Chinese Minister of
Foreign Affairs to-day on colonial
questions in which China is interest-
ed. China is concerned largely in
Kiau Chow which was occupied by
the Germans until they were dis-
possessed by Japan at the outbreak
of the war.

PORTUGAL'S NEW CABINET.

LISBON, Jan. 23.
A new Portuguese cabinet has been
formed with Jose Relvas as Premier
and Minister of Education, and Elias
Moniz as Minister of Foreign Affairs.

RIOTS IN BELFAST.

BELFAST, Jan. 23.
Strikers attacked shops here last
night, seeming to centre their at-
tacks on stores, showing lights. One
large store which generates its own
electricity and was brilliantly illu-
minated, was stoned by the mob. The
plate glass show windows were
smashed and women's clothing ex-
hibited there was carried away. In
another district a saloon was broken
open and liquor was taken by mem-
bers of a mob. Police engaged in
dispersing rioters were fired upon
but at last succeeded in restoring or-
der.

ALLIED PRESSURE ON TURKEY.

SALONIKA, Jan. 23.
According to a semi-official state-
ment issued here, the Turkish cabin-
et, headed by Tewfik Pasha, has re-
signed as a result of Allied demands
that Turkey restore property carried
away during the war from occupied
territory and cease carrying out dra-
stic measures against Greeks and Ar-
menians. It is said that the Sultan
will participate in the work of recon-
struction of the cabinet.

JAPS AND BOLSHEVIKS CLASH.

VLADIVOSTOCK, Jan. 23.
Japanese troops at Mazonova on the
Zeya River, north of Blagovest-
chensk, have clashed with Bolshevist
forces numbering about 1,000, accord-
ing to reports received here. The
Japanese lost two killed and eleven
wounded in the encounter.

OFFICIAL COMMUNICATION.

PARIS, Jan. 23.
The official communication issued
to-day on the peace proceedings read
as follows: The President of the
United States, the Prime Ministers
and Foreign Ministers of the United
States, the British Empire, France
and Italy, and the representatives of
Japan, held two meetings to-day. At
the first an exchange of views took
place on the German Colonies in the
Far East and the Pacific and those in
Africa. The representatives of the
Dominions were present at these two
sessions, the representatives of China
at that in the morning and the Mar-
quis Salvago (Italy) at that in the
afternoon. In the morning the dele-
gates of Australia, New Zealand, Chi-
na and Japan were heard. In the
afternoon Henri Simon, French Min-
ister of the Colonies, explained the
views of his department on colonial
questions. In addition the fundamen-
tal principles of the League of Na-
tions and their applications were
considered.

CONDITIONS IN PERM.

OMSK, Central Siberia, Jan. 17.
Death stalked the streets of Perm
until the city was captured by Gen.
Gelds, according to the official re-
port of an investigator who has just
returned from the Ural front. So ter-
rible were conditions under the
Bolshevist regime that the frighten-
ed people of Perm have not yet re-
covered. It is said that the few pe-
destrians encountered there were
emaciated, with livid lips, and a con-
stant nervous trembling of the head

and hands. There are no children
less than a year old in Perm, all hav-
ing died, says the report, which adds,
that in three months the whole popu-
lation would probably perish.

BOLSHEVIK FORCES HALTED.

BERLIN, Jan. 27.
Bolshevist forces marching on Li-
bau, on the Baltic Coast of Courland,
have been halted by German volun-
teer forces which, though greatly
numbered, forced the Soviet ar-
my back across the Windau River by a
bold counter offensive, according to
a special despatch to the Zeitung Am
Mittag. It is said that the Bolshe-
vists suffered heavy losses.

GERMANS TO FIGHT POLES.

PARIS, Jan. 23.
Two full corps of German troops
have been assembled by the general
staff to march against the Poles, and
eight troop trains are passing through
Frankfurt on the border, daily, ac-
cording to a Zurich despatch to the
Journal and the Press of Baden Ba-
den.

REPORTED STILL ALIVE.

COPENHAGEN, Jan. 23.
A Munich despatch to the Politiken
reports that it has been learned from
quite reliable sources that Ross Lux-
embourg, who was reported to have
been shot and killed on Jan. 15 in
Berlin, is still alive.

RAILWAY LOSSES.

OMSK, Central Siberia, Jan. 15.
The trans-Siberian railway is los-
ing eighty million rubles a month,
according to Minister of Finance Mik-
haloff of the all-Russian Government
here, in discussing the Government's
programme for financial rehabilita-
tion, with the Associated Press to-
day.

ALL POWERS IN AGREEMENT.

PARIS, Jan. 27.
The Peace Conference to-day made
a distinct gain when the nineteen
Powers gave full adhesion to the or-
ganization formulated by the five
great Powers, thus securing a united
front of the great and small powers
at the outset of the work on the main
subjects before the members of the
commission.

"JOHN" STILL AFLOAT.

NEW YORK, Jan. 27.
The Belgian steamer Gothia which
arrived here to-day, reports passing
on Jan. 24, in latitude 44.27, longitude
43.35, a vessel's foremast about forty
feet long, apparently not long in the
water; and on the same date in lat-
itude 44.25, longitude 43.00, passed the
schooner John, of St. John's, Nfld.,
drifting about. The hull is reported
in good condition, rudder intact, not
very dangerous to navigation.

NO DIFFERENCE.

PARIS, Jan. 23.
Without attracting much attention
a change has been made in the name
of the important committee of the
Peace Conference which is to deal with
the subject of damages suffered
through the war and compensation for
them. Instead of being the committee
on indemnities as originally termed,
it will now be known as the
committee on reparation. The
change, it is understood, was brought
about by the American delegates who
are animated by the idea of keeping
the whole scheme of repairing the de-

**A Child's Laxative
is "Syrup of Figs."**

They love to take it and it doesn't
harm the tender little stomach,
liver and bowels.
If your little one's tongue is coated,
it is a sure sign the stomach, liver
and bowels need a gentle, thorough
cleansing at once. When your child
is cross, peevish, listless, pale, doesn't
sleep, eat or act naturally; if breath
is bad, stomach sour, system full of
cold, throat sore, or if feverish, give
a teaspoonful of "California Syrup of
Figs." and in a few hours all the
clogged-up, constipated waste, sour
bile and indigested food will gently
flow out of the bowels, and you have
a well, playful child again.
Sick children needn't be coaxed to
take this harmless "Fruit Laxative."
Millions of mothers keep it handy be-
cause they know its action on the
stomach, liver and bowels is prompt
and sure. They also know a little
given to-day saves a sick child to-
morrow.
Ask your druggist for a bot-
tle of "California Syrup of Figs,"
which contains directions for babies,
children of all ages and for grown-
ups plainly on the bottle. Beware of
counterfeits sold here. Get the
genuine made by "California Fig
Syrup Company." Don't be fooled!

vastation resulting from the war
within the spirit of President Wilson's
declaration on the subject. Accord-
ing to the present indication, the word
"reparation" means supply the replace-
ment as far as possible as they were
before the war of all things destroyed
by the German armies.

JUNKERS STILL TALKING.

AMSTERDAM, Jan. 23.
The German People's Party, which
is composed largely of the pro-Ger-
man element and junkers has sent
the following telegram, according to a de-
spatch from Berlin, to former Em-
peror William on the occasion of his
birthday: "We gratefully appreciate
the work which your Majesty has
done for the German empire and the
German people during more than
thirty years. We heartily wish your
majesty peace for the rest of your life
and beg to assure you that millions
of Germans who now live with us
under new conditions and a new basis
of state and of life, reverence the
monarchist idea and will repel every
unworthy ostracism from the high
ideal of German Kaiserdom and
Prussian kingship."

BOLSHEVIKS AT...

ARCHANGEL, Jan. 27.
Bolshevist forces failed in an at-
tempt to drive British and American
troops from their positions at Tulgas
on the Drina River, south-east of
Archangel. Earlier the enemy had
bombarded the positions with artill-
ery.

1,000,000 "TO FINISH THE JOB."

LONDON, Jan. 23.
A special meeting of the Cabinet
held to-day was attended by Winston
Spencer Churchill, Sir Eric Geddes,
Sir Robert Stevenson Horn, the new
Labor Minister, and General Sir
Henry Wilson and Sir William Robert-
son. Urgent questions regarding de-
mobilization were discussed. It is
understood that the conference re-
ached the conclusion that there was
no prospect for months to come of the
voluntary enlistment of sufficient men
for the army of occupation and the
salvage of property in the war theatres
for properly garrisoning India, Gibralt-
ar and the Crown Colonies, to insure
the safety of the United Kingdom
and safeguard the results of the vic-
tory in Palestine, Mesopotamia and
Turkey, and that hence it would be
necessary to adopt some system of
selection and place the men trained
as nearly as possible in the same
position as they would be in civil life
with regard to pay and other condi-
tions. It is considered that for the
purposes above stated about one
million men would be required,
which means roughly that three out
of four men will be demobilized and
the fourth retained to "finish the
job." And the idea is to release men
who have already rendered the most
service to the country. Probably
some stipulated date will be fixed,
and all the men who joined the ser-
vice previous to that will be demob-
ilized. The pay of the men retained
will be largely increased, and a new
scheme of leave introduced. The
men thus retained to bridge the gap
until the reorganization of the new
standing peace army will be consid-
ered as fulfilling functions as im-
portant as fighting, and employers of
labor will be requested to keep open
for them their pre-war positions, as
was done during the war for the fight-
ing men.

MILLEY'S

Regular Holidays.

Editor Evening Telegram.
Dear Sir.—During the year 1918 the
schools of the city were closed for
more than one-quarter of the year.
Six weeks at midsummer, 4 weeks be-
cause of "Flu," 2 weeks Xmas, a week
at Easter, a day when the shooting
season opened, a day or two for
berry picking, in fact any excuse was
good enough for a close up. With the
Summer School and increase of holi-
days, etc, parents hoped that the
teachers would realize the responsi-
bility of their calling, but the regular
routine starts to-day with a holiday
"because the stores are closed." I
feel I am voicing the sentiments of all
parents when I say they would be bet-
ter satisfied if the extra holiday busi-
ness was cut out and the children given
the chance to get the education they
are paying for.
Yours truly,
A PARENT.
