The Mt. Vernon Hospital Training School for Nurses

offers exceptional inducements to young women between the ages of 18 and 32, with one year or more of high school training, or the equivalent. The hospital is a beautiful modern building in a city of 45,000 people, one-half hour's ride from New York City.

No Tuition Fee Required.

Students provided with board, lodging and laundry and given an allowance sufficient for incidentals, while training. No menial service such as demanded of probationers in the past, is required in this hospital.

Trips to the museums, theatres, and other attractions in New York as well as parties in the spacious Nurse's Home connected with the hospital, provided by the women of the committee.

Upon His Honor as Minister of the Gospel

REV. W. A. THOMPSON WRITES OF DR. F. G. KINSMAN'S HEART TABLETS.

I had heart trouble severely for fifteen years and had many doctors to treat me with no discernible effect. I had become so low that I could scarcely walk fifty steps. At night I was troubled with fluttering of the heart, and by no means had a night's rest for that length of time. I had pains most excruciating and could not lie on my left side even for a moment. I tried five boxes of your Heart Tablets and can now, truthfully say that I am well. I am a Minister of the Gospel and upon my word as such, I believe I could not have lived had it not been for your Heart Tablets. I am not generally speaking, willing to give testimonials, but I fully owe this or more to you as owner of the Heart Tablets.

FALSE ECONOMY.

It is often remarked by customers, "I must try and make my old clothes do for the winter." Perhaps the winter may mean very much longer. To protect your body against our cold winds you want warm woollens. An investment in a good Suit or Overcoat may save you months of illness. Durable material, cut and moulded to your figure by expert workmanship in the garment at MAUNDER'S. Samples and self-measuring cards sent to your address.

What is Your Verdict!

Is it not safe to assume that the Ford Motor Company of Canada, Limited, who manufacture in their own huge perfectly equipped plant practically every part of the Ford car, are the people best qualified to make replacement parts at the lowest price compatible with the high quality which must be maintained?

Manufacturers of spurious parts, operating as they do on a small scale with limited capital and inadequate equipment, cannot possibly make parts of the same quality or accuracy at anywhere near the low price you have to pay for Genuine Ford Parts. Yet you are asked to believe that these spurious parts not only equal Genuine Ford Parts in quality but can be produced to equal them!

We rest our case here. The verdict we leave to you. DODD'S GARAGE, LTD. Catherine Street, St. John's, Newfoundland. Authorized Ford Agents for Newfoundland. feb4,a,w,t
