Thrift Tips

A mackintosh that is too shabby for outdoor wear can be turned into an overall for washing days and special cleanings by simply removing the sleeves and sloping the arm-holes. The raw edges can be bound with a bit of brightly-coloured braid.

When a travelling trunk shows Wipe it well with a damp cloth, and if the material is torn, glue it in place. Then give the trunk a good coat of varnish and leave it to dry. The appearance will be greatly improved and the varnish will help to make it waterproof and prolong its life.

Mildewed kid gloves can be made as good as new by wrapping them in a silk handkerchief sprinkled with ammonia, and laying them in a flat tin They may postpone for a time the with an airtight lid. Leave for three evil day when they must mark up or four days.
