# HAMS and BACON

Are advancing in price in sympathy with the higher prices ruling on Pork Products, and we would not be surprised to see quotations "marked up" on these commodities in the early future.

Avoid paying higher prices for Hams and Bacon, and get your requirements of our unequalled "Berkshire" Brand while present low figures continue.

"BERKSHIRE" HAMS average 10 to 12 lbs. each.

"BERKSHIRE" BACON averages 6 to 8 lbs. each.

## Why, of Course

If you want GOOD Clothes go to a GOOD Tailor. There is where you get good material, good fit and Clothes that look as if they were made for YOU, and not for the other fellow.

The Ready-to-Wear! Yes, of course. They were made for the one who buys them, very seldom for the one who fits them.

But be careful and go to a good tailor. It's cheaper and better.

SPURRELL'S are good, reliable tailors, and you make no mistake in going there.

## TO YOUNG MEN!

This is specially addressed to the young men who are following the trend of style especially as regards trousers. If you want the bell bottom trousers, with or without cuff, here is the place to get them; we are making and have made recently some splendid examples of this style. This also applies to the straight hanging English trousers hanging free from the hips to the cuff; with plenty of room at knees and bottom.
