NABSAGAWEYA VOLUNTEER COMPANY.—
We find the following appointments for this Company in the last number of the Gazette:—To be Lieutenant, acting till further orders: Ensign Michael Lyons, vice Easterbrook, whose resignation is hereby accepted. To be Ensign, acting till further orders: Sergeant James Colquen, vice Lyons, promoted.

THE NEW DOMINION MONTHLY.-We THE NEW DOMINION MONTHLY.—We noticed some time ago that the first number of a magazine bearing the above title had been published by Messrs. John Dougal & Son, Montreal. Mr. Day has now a large quantity on hand, and we can say for this magazine what cannot be said for all that are issued, that not one cent of the price may be lost, for it can be read with untiring interest from the first page to the last.

THE WELLINGTON, GREY AND BRUCE ALLWAY.—The township of Wallace. RAILWAY.—The township of Wallace, county of Perth, has by a large majority passed a grant of \$25,000 bonds to this railway. The By-law submitted to the people of Normanby granting \$50,000 to people of Normanby granting \$50,000 to the Guelph scheme, and \$15,000 to the Durham and Angus road, was defeated; but it is said that a by-law will be at once introduced for a similar amount for the Wellington, Grey and Bruce road.

Opening of the Temperance Hall.

The first services at the opening of the Temperance Society's new Hall, Mercury Building, are of a religious character (fittingly so), and to take place to-morrow (Sabbath) afternoon, and are to be conducted by the Rev. Mr. Griffin, Wesleyan o'clock .

On Monday evening the ceremonies will be of a somewhat different nature. Programmes will be issued on Monday, by which it will be seen that an imposing array of talent in the musical and oratorical line have engaged to entertain an audience that we are sure will be large. The new hall has been tastefully fitted up and decorated. It has been seated not with benches, as halls usually are, but with chairs; and a melodeon, manufactured by the Messrs. Bell, has been bought and placed in it by the Society. Thus it will be observed that the temperance men have resolved to draw their pleasures from a less dangerous and purer source than from the "sparkling bowl." Monday evening's performance will commence at half-past seven, and we confidently anticipate an extensive popular interest in the opening of the new Temperance Hall.
