

BRANFLET—Epps' Cocoa—Grateful and Comforting.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has prepared our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills. It is a great tonic and strength-giving. Made simply with Boiling Water or Milk. Each packet is labelled—'James Epps & Co., Homeopathic Chemist, London.'

MANUFACTURE OF COCOA.—We will now give an account of the process adopted by Messrs. James Epps & Co., manufacturers of delicate articles, at their works in the Easton Road, London.—See article in *Cassell's Household Guide*, 1906, p. 42.

James H. Johnston, Esq., Montreal, writes in August, 1871, as follows: 'It affords me great pleasure to bear testimony to the benefit received from using **Fellows' Compound Syrup of Hypophosphites**. I found it a nervous tonic of great power and efficacy, curing me in a short time from GENERAL DEBILITY and NERVOUSNESS, and I became robust and vigorous under its influence, and gained considerably in weight withal.

Life has few charms for the dyspeptic, which is not to be wondered at when we take into account the amount of bodily and mental suffering that this distressing malady generates. The Peruvian Syrup (protocole of iron) has cured thousands who were suffering from this disease.

IMPROVE NUTRITION.—The central idea in the treatment of all Chronic Wasting Diseases, resulting in Nervous Prostration and General Debility, is to improve Digestion and assimilation of Food, and the formation of Healthy Blood. Dr. Williams' **WATERBURY'S** **WATERBURY'S** **WATERBURY'S** contains the only agent known that acts directly on the organs and tissues of the body. The action of this remarkable preparation is extraordinary in strength and vitality, and the constitution, whether impaired by age, exhausted by excess, bad habits, or run down by old complaints that have resisted all ordinary methods of treatment. Being a delicious cordial to take, and perfectly harmless, it can be used by the most delicate and delicate children.
