See our new styles in Rubbers. They are what you want for protection, comfort and looks. We have them ready for you at drygoods prices.

SMALLMAN & INGRAM. 149 and 151 Dundas Street,

There's Money In It

Bring the attention of the thousands of visitors to the Western Fair to what you have to sell, whether you are a merchant or a manufacturer, by distributing some printed matter that will invite inspection of your wares. A small investment in this way may be the means of making several new customers, and at the same time assist you in holding the patronage of your old ones. The Advertiser Job Department will be found the correct place to order whatever printing you may require. Phone 137.

REINDEER ARE A CODSEND.

Imported Into Alaska to Save Natives From Starvation, but Now the Salvation of Miners.

Washington, Aug. 26.-Some interestng statements relating to the gold region in Alaska and the reindeer experiment there, are brought out in the annual statement of United States Commissioner of Education Harris, submitted today. Touching on the importance of extending the introduction of reindeer into that territory, the report says the reindeer stations ought to be able harness at once for the use of the miners on the Upper Yukon River. "It was my purpose," the commissioner goes on, "to detail three of the skilled herdsmen and 30 trained reinconcessions. The H., G. and ing in Toronto. Mrs. Shaw has been deer to the Yukon region the present ailing for some time, and we hope the change may be beneficial. ried out, as instructed, an important Miss McKenzie has returned to her experiment will be in progress during the coming year at the gold mines. The visiting her sister, Mrs. Shaw, for plan of the bureau has been to arrange in a line from Bering Straits to Kadiak

Superintendent of Reindeer Stations Kjellmann last September proved the practicability of this by making a trial trip on this route. Two of his party were able to take the steamer at Katmai, sailing to Sitka in March. This arrangement once completed it will be rancisco and other cities to hold com uring the winter north of the Arctic

There have been maintained in Alasa twenty day schools under the su-ervision of the interior department, with 23 teachers and an enrollment of of 1,267 pupils. A public school was opened at Circle City, in the Yukor mining district, but the department's agent, writing from St. Michaels, says he is afraid he will be forced to discontinue it, because of the exodus of the city's population into the region he city's population into the regi nearer the recently discovered mi The influx of miners into the Yuk as caused a demand for reindeer for freighting purposes. In the origin plan for the purchase and distribution of reindeer, reference was had to se uring a new food supply for the fan shing Eskimos of the Bering Sea and the Arctic Ocean region, but it is no found that reindeer are as essential to white men as to the Eskimos.

Small-pox has not reached Ottawa board of health has been called to consider the advisability of taking pr cautionary steps to prevent the en trance of the disease into the city. Miss Martha Morton, the dramatist was married on Wednesday Herman Conheim, of New York, at the home of her mother at Saratoga,

RAILWAY MATTERS.

Largely Increased Earnings of the O. P. R.-Track-Laying in the Northwest.

The traffic receipts of the C. P. R. for the week ending Aug. 21, show a gain of \$102,000 over the receipts for Only about 6 miles of track have to be laid to complete the L. M. R. and C. Company's line to Lake Winnipeg-

The H., G. and B. have commenced work tearing up the girder rails in the village of Stony Creek and replacthe Saltfleet council refused to pass a bylaw allowing the company to put concessions. The H., G. and B. directors refused to grant the concession and B. Since then President Myles dispany has power to lay T rails in the village. It is likely that there will be serious trouble in Stony Creek. Some of the villagers who have been fightig the company threaten to stop the

One of the most important railroad deals recorded this year has been clos By it the Union Stock Yards and Transit Company, of Chicago, con mond and Western Railroad, formerly owned by the G. H. Hammond Company, of Hammond, Indiana. The consideration is estimated to be \$4,000,000.

Keep up hope. There are thousands of cases where recovery from Consumption has been complete. Plenty of fresh air and a well-nourished body will check the progress of the disease. Nutritious foodsare well in their way, but the best food of all is Cod-liver Oil. When partly digested, as in Scott's Emulsion, it does not disturb the stomach and the body secures the whole benefit of the amount taken. If vou want to read more about
