Considering the fine weather today the Considering the fine weather today the attendance at the market was only fair. While business was good in many repects and showed quite an improvement over the markets of the past couple of Saturdays, still it was not up to expectations. The smaller lines of produce were particularly well represented, and formed the bulk of the offerings. The market was a lively one, and prices were a shade easier than those paid on Thursshade easier than those paid on Thurs-

Grain-There were nearly 30 loads of oats offered, which sold mostly at 92c per cental; a few loads went at 93c and 94c. Three loads of wheat sold at \$1.15 per Three loads of wheat sold at \$1.15 per cental. Rye sold at \$7c per cental. Beans were higher, at \$1.75 per bushel.

Hay and Straw—There were only 13 loads of hay offered today, which brought 8 to \$19 per ton; the majority of the hds were of an inferior quality. Straw as plentiful and sales were slow, at these quoted

ces quoted.
Autter and Eggs—There was a large ply of butter and prices were a trifle ier; the majority of the basket lots pound rolls sold at 29c, and in a few ances the holders obtained 22c; butter rocks sold at 18c to 29c. Eggs were large supply and prices were lower, 29c to 25c per dozen for fresh-laid, bulk going at 22c; packed eggs are er, at 17c to 29c.

r, at 17c to 20c. istmas, especially turkeys, which at 14c to 16c pound pound, mostly c; chickens were in good demand, at 0 90c per pair; some sold as bleb. per pair; live chickens were held at to 75c per pair.

\$1 per pair; live chickens were held at 50c to 75c per pair.

Dressed Hogs—There were about 70 carcases on sale, and prices were \$7 75 to \$8 per 100 pounds; sales were about evenly divided at these figures.

Potatoes—More plentiful, but prices held firm at \$1 20 per bag wholesale, and \$1 25 to \$1 20 retail; dealers are asking \$1 25 per bag for potatoes that have been shipped in.

12\(\) for that in the comb and 19c per pound for strained.

Live Hogs—The price for Monday has been settled at \$5.65 for selects, Small pigs sold today at \$5 to \$6.50 per pair, according to size. A number of sows and stags were shipped from here today; the wisce yearlight water to the the for the stags were shipped from here today; the prices realized wefe 4c to 4½c for the former and 2c for the latter.

Butchers' Meats—The offerings were large in this line; sales were made at the following prices: Beef. common. \$5.50 to \$6; fair to choice, \$6 to \$7.25 per 100 pounds by the carcase; lamb, \$8 to \$9; mutton, \$5 to \$7.

QUESTIONS

If you could buy shares in an oil company containing 1,250 acres of rich oil land in Ohio with 107 producing oil wells pouring thousands of barrels of high grade illuminating oil monthly into its supply tanks-a company with one of the most up-to-date plants in the entire field,

Wouldn't You Consider These \$1.00

If you could buy shares in a company owning and controlling 90 acres of rich oil land in Kern River, Califorma, with big wells producing between 30,000 and 50,-000 barrels of oil monthly and room for many more well,

Wouldn't You Consider These Shares a Big Baryain at

If you could buy shares in a company controlling 19, 686 acres of rich oil land directly on the ocean front in Santa Barbara, Cal., with big steamship wharfs already built, insuring low rates for transportation, and more property than a half a dozen ordinary companies,

Be Worth More Than........... \$1.00?

And Finally--

If you could buy shares in a company owning a big oil refinery on its own property—when the shares in each company usually sell for from \$3.00 to \$5.00,

Wouldn't You Think Such \$1.00?

The Eastern Consolidated Oil Co., as its name implies, is a consolidation of big oil interests, which offers you all these properties and advantages mentioned above under one management-a company that has paid its stockholders 27% in dividends on the investment in 13 months, and now offers its stock for \$1 a share until next Saturday

already been received, asking for figures for equipping their plants? Do you realize that the profits on these plants alone would amount to the above estimate for the These shares are now selling at 50c, but subscriptions are coming in so fast that a sharp advance in price will soon take place. Those best informed predict that this stock will advance to several dollars

Manufacturers in All Parts of the Country Thoroughly Aroused! All Enthusiastic Over New Process for Furnishing Power.

Plant of Landers, Frary & Clark, New Britain, Conn.

This firm, located at New Britain, Connecticut, is one of the oldest and largest cutlery manufacturers in America. Their big plant will be equipped with the new fuel. Figuring on the most conservative basis, this firm will certainly save by this new process as follows: Present consumption of coal, about 5,000 tons a year, at \$4 a ton, costs

By equipping with the new process the cost of fuel will be reduced to about NOTE .- Landers, Frary & Clark, or any other concern, will probably save more than this, as most of the tests of the new process show a saving of 60 per cent, and more in cost of fuel, to say nothing

BETTER THAN STANDARD OIL STOCK. "I would rather own this process

about 331/3 per cent. saving on labor.

than the Standard Oil Co. You can get almost any price you ask for it,

PROF. JAMES S. ROGERS, Gas Engineer of National reputaDO YOU OWN ANY STANDARD OIL STOCK?

Do you own any U. S. Steel, or Mergenthaler Linotype, or General Electric, or Bell Telephone Co.

If so, you will be able to realize when buying these shares, what enormous profits this great industrial stock can pay its investors. CANADIAN STOCKHOLDERS' IN-TERESTS will be represented in the directorate by Mr. Brackley Shaw, of

It Takes the Place of Coal. All rights and patents on this n

process are controlled exclusively by the AMERICAN HEAT, LIGHT AND POWER COMPANY. The process reduces the cost of fuel from 60 per cent to 80 per cent
