### Notice to Contractors.

Sealed tenders, addressed to the undersigned, marked on the envelope "Tenders for Construction," will be received at the office of the Commissioners of the Transcontinental Rallway, at Ottawa, until twelve o'clock noon on Monday, the 12th day of March, 1906, for the work required for the construction, in accordance with the plans, profiles and specifications of said Commissioners, for the following sections of the Transcontinental Railway, sections of the Transcontinental Railway, the said work to be completed on or before the first day of September, 1907, viz.:

(1) District "F." From a point designated on the plans of the said Commissioners at or near the City of Winnipeg. to a point known as Peninsula Crossing, near the junction point of the Fort Wil-liam branch of the Grand Trunk Pacific Rallway, a distance of about 245 miles.

(2) District "B." From a point designated on the plans of the said Commissioners, at the north end of the Quebec Bridge and Railway Company's bridge in the vicinity of the City of Quebec, to a

point near La Tuque, a distance of about (3) A steel viaduct about 3,000 feet long across the Cap Rouge Valley, in said District "B," in the vicinity of the City of the lack of interest that was Quebec, the work to be performed in accordance with the General Specifications of the Commissioners of the Transcontinental Railway, and the General Specifications for steel bridges and viaducts of the Department of Railways and Canals

f Canada, 1905. of Canada, 1906.

Plans, profiles and specifications may be seen in the office of the Chief Engineer of the Commissioners at Ottawa, also in the office of the District Engineer at Ken-

duplicate, and on the printed forms upplied by the Commission Separate tenders must be submitted for he work in each district.

should make a careful examination of the plans, profiles, drawings and specifications, and read the forms to be executed, and fully inform themselves as to the quantity and quality of materials and character of workmanship required; and standpoint of citizenship. McNaught are understood to accept and agree to be are understood to accept and agree to be bound by the terms and conditions contained in the form of contract, specifications, etc., annexed to the form of clean election at Urquhart's suggested.

Each tender must be signed and sealed by all the parties to the tender and witnessed, and be accompanied by an ac-Railway, for the sum of four hundred thousand dollars (\$400,000), for District "F," and two hundred and twenty-five thousand dollars (\$225,000), for District "B." and thirty-five thousand dollars (\$35,000) for steel viaduct in said District B. Any person whose tender is accepted shall within ten days after the acceptance thereof furnish the security required by the Commissioners for the due and faithful professioners for the due and faithful performance of the contract according to the terms, sign the contract, specifications and other documents required to be signed by said Comats required to be signed by said Commissioners; and in any case of refusal or failure on the part of the party tender is accepted to complete and execute a contract with the said Commissioners and to furnish the approved security within ten days after the accept-ance of the tender, the said check shall ance of the tender, the said check se be forfeited to the Commissioners liquidated damages for such refusa failure, and all contract rights acquired by the acceptance of the tender shall be forfeited. Checks deposited by parties whose tenders are rejected will be returned within ten days after the signing of

Attention is called to the following clauses in the form of contract:
"All mechanics, laborers or other persons who perform labor for the purposes of the construction of the works hereby tracted shall be paid such wages as are generally accepted as current for competent workmen in the district in which the work is being performed. there is no current rate in such district, then a fair and reasonable rate; and, in the event of a dispute arising as to wha is the current or a fair and reasonable rate, it shall be determined by the com-

issioners, whose decision shall This agreement is subject ulations now in force, or which may at any time hereafter be in force during the construction of the works hereby tracted for, made under the authority of the Department of Labor, and which or shall be applicable to such works."
"The contractor shall in connection or snall be applicable to such works.

"The contractor shall in connection with the whole of the said work, as far as practicable, use only material, machin ery, plant, supplies and rolling stock manufactured or produced in Canada, provided the same can be obtained as cheaply and upon as good terms in Can

ada as elsewhere, having regard to quality and price."

The contractor shall conform to the Fire Regulations adopted by the Commissioners, and also to the Laws and Regulations respecting fires in the different

Provinces wherein the work is being per-The right is reserved to reject any or

all tenders. By order The Commissioners of the Transcontinental Railway, Ottawa, 8th February, 1906.

That does not seem to point to narrowness. More-

6. But that is not the practical ques-All persons interested in the above mat- tion now before the public of London. The question for the city and the citizens to decide is whether they desire to assume all the financial responsibilities incident to establishing and running an undenominational university, or do they prefer to leave the university as it is in the hands of the Church J. HARRIS & CO.-REMOVED TO 728 of England, for that church to push it ite London and Petrolea and make it as efficient as possible, London remaining content to derive all BARTON ELECTRIC MANUFACTURING Company—Motors and Dynait has hitherto done, and just as Kingston derives all the hemotics of the church's efforts as
ton derives all the hemotics of the content to derive all
the benefits of the church's efforts as
ton derives all the hemotics of the content to derive all
the benefits of the church's efforts as ton derives all the benefits of the Pres-

oyterian University of Queen's. 7. Of course, if the university became ndenominational, the provision new made by the Church of England, both in the way of accommodation and support would necessarily be withdrawn. Anglicans as such would not be called PRIVATE FUNDS TO LOAN-LOWEST upon nor be expected to support it rate. Buchner & Gunn, 83 Dundas more than others. They would bear more than others. They would bear their fair share of the burden, but no special responsibility would rest upon them. The main energies of Anglicans thenceforth would necessarily be directed to the strengthening of Huron College.

8. Let me add that this question is by no means new in London. To my by the laws of this commonwealth, a own knowledge it has been more or less before the public for ever ten years or effect in this commonwealth." perhaps for fifteen years; and a year ago I myself referred to it in an address at a convocation of the senate, and declared my position. But no notice divorces should be made statutory was taken of it. The question is not new, therefore, nor can it be said to be sprung upon the public.

that there is to me something humiliate ing in the perpetual suggestion of appeals to Carnegie and the Provincial Government. If we are not prepared

to help ourselves, we need never expec that others will help us. Thanking you in advance for your valuable space, believe me, yours faithe

Feb. 22, 1906. MR. VINING'S VIEWS.

To the Editor of The Advertiser: Since you have graciously throws open the columns of your paper to Montreal, Feb. 22.—The decision to discussion of the question of the muni-I beg to take advantage of the opportunity to express some views upon the

Higher education is in every way President Sise, in asking the share- what, for the sake of distinction, may necessarily secondary in importance to holders to authorize the increase in be called "lower" education. The capital, stated that the business of the great majority of the children of our company had grown far beyond the city end their school training when expectations of any of the original they leave the public schools, the capital would be increased to \$50,000,000, living in factory or workshop rendering quite impossible any thought of their taking advantage of the splendid opportunities for further development crease the number of directors by three, stitute, not to speak of anything higher or more advanced. It is therefore in the public school alone that most of our citizens receive their ensolidly against him. The latter had patent account, placing this account at of the public school that any surplus funds available should first be de-During the year 12,635 subscribers voted. It is notorious that throughout the office of the District Engineer at Kenora, Ontario, for the section of District "F," and for the section of District "B" in the office of the District Engineer at Courses of the District Engineer at Course of the District Engineer at Course of the District Engineer at Kenora Course of the Section of District "B" tion of Jan. 25, 1905:

North Toronto returns for the electron of the Section of District "B" tion of Jan. 25, 1905:

Tven the smallest twigs are carefully i. e., we have offered to negotiate with offer to non-residents that would lead gathered by the fagot makers, whose a view to making the university absothem to prefer the Western to the citizens in general will take hold of it the outsider of living here would be and shoulder all the cost of accommo- just as great as that of living in To-5. As to what the Church of England to the splendidly equipped libraries of offer for loss of opportunity of access

> discount the future by the issue of debentures for this purpose, and so add to the already too high uncontrollable expenditure? Surely when our public schools and Collegiate Institute teachers are so woefully and shamefully underpaid, when we have not funds with which to make our main thoroughfares even decently passable, when the estimates have every year to be ruthlessly cut and pared in order to keep the rate down to 23 mills, surely, I say, when such is indisputably the state of affairs in this city, it is the very height of absurdity to even contemplate or suggest the assumption of newobligations of a nature such as that

Thanking you for your courtesy, 1 am, yours very truly,

proposed.

#### JARED VINING TO RESTRICT DIVORCE

Washington, Feb. 23.—Before finally adjourning last night the congress on uniform divorce laws from the several states adopted the following resolution which seeks to make more stringent the laws pertaining to the migratory

character of divorcees: "Each state should adopt a statute embodying the principle contained in the Massachusetts act, which is as follows:

"If an inhabitant of this commonwealth goes into another state or country to obtain a divorce for a cause which occurred here while the parties resided here, or for a cause which would not authorize a divorce divorce so obtained shall be of on force A resolution was also adopted pro-

taining or attempting to obtain crimes by the criminal code." All men's intentions are good-for

viding that "Fraud or collusion in ob-

9. Finally, will you allow me to add paving material.
